THE REPORTER, FARMERSVILLE, TUESDAY, MAY 27.

LOCAL ITEMS.

Quite a change in the weather from that of yesterday.

The boys are practising nearly every evening for another match game shortly.

For fine Tweeds and Worsted coatings go to A. Parish & Son's. Suits made to order at close prices.

Our butcher made his first trip on his country route to-day. He reports crops looking fine and stock extremely high.

Owing to the large amount of space required for the minutes of Conference, we have to lay over for our weekly edition—a communication from "An Observer".

That long-controverted road case was again before the Council, with as little prospects as ever of an amicable settlement, but "Hughy" could tell them all about it.

The minutes of the M. E. Conference being finished in this issue, we will furnish our daily subscribers with the WEEKLY REPORTER on Wednesday morning, June 4th, which will complete the number promised.

The Township Council met to-day. In the forenoon, as a court of revision several changes were made in the assessment. In the afternoon the regular meeting of the Council took place and a large amount of business transacted. As the minutes of the court will be published in next week's REPORTER, we refrain from making any comments on the business done.

Our old friend David Brown was before the Council to-day, looking for a little help. He presented his case in a very able manner, being very moderate in his demands. He only wanted a little money to buy some seed buckwheat, a little flour, some tea, sugar and other groceries. David has concluded to "swear off" on tobacco. The Council granted him \$3. towards expenses, for which they received David's thanks, which was done with all the grace of a Chesterfield.

At the request of the Woman's Christian Temperance Union, the M. E. Conference set apart last evening for a temperance meeting. The audience was ably addressed by the Rev. Henderson and Barnett, who declared themselves strongly in favor of the Scott Act. If these gentlemen are fair representatives of the M. E. ministers, the temperance cause is sure of a warm support from their church. A resolution favoring prohibition, introduced by the Rev. F. Chisholm, was unanimously carried. Mrs. Parish, the president of the W. C. T. U., being called upon, gave an account of the doings of the society. Miss Fulton moved in behalf of the society, a vote of thanks to the Conference in appreciation of speakers, and to the society for so kindly addressing the meeting. The chairman in putting the motion, included himself, and was no doubt, greatly pleased with the hearty manner in which it was carried.

3 GREATEST REMEDIES OF THE DAY. 3

LAMB'S LUBRICATING LINIMENT,

For Sore Throat, Diphtheria, Headache, Sprains, Bruises, Kidney Disease, Lame Back, Neuralgia, Wind Colic and many complaints not here enumerated. Always take L. L. L. when requiring a good liniment and you will be sure to get the worth of your money.

HUNT'S COUGH SYRUP OF WILD CHERRY AND TAR,

Is steadily gaining in popularity, because it is a good reliable remedy, and cures when others fail. In view of the prevalence of Coughs and colds at this season, it is well to have within reach a medicine that can be depended upon and pleasant to take. Children like it, and it only costs 25 cents per bottle. No family should be without it.

LAMB'S HORSE POWDER,

For the cure of Coughs, Colds, Distemper, &c., just now so prevalent. We do not claim it a condition powder and cure all, but as the disease is removed the appetite increases and nature will then assist in its work and your horse show a marked improvement in a short time. We have many certificates of wonderful cures effected by using these preparations, which I will publish soon, that others similarly effected may know where to find relief.

I also take this opportunity to thank my customers for patronage given me, and hope by keeping my stock supplied with all necessaries in a well-kept drug store, to still merit a continuance of the same. Wishing you all a prosperous year, I am yours respectfully

J. P. LAMB.
