

PERFECT MANHOOD

is rightly yours; but if you are not the man you should be, if you are losing your energy, your vital force, your strength, and feeling you don't care what happens, you are suffering from Loss of Vitality; it is creeping upon you, and you are not aware of it. The cause may be, whether early abuse, excess, or overwork and business cares, the result is the same; premature loss of strength, emaciation, impotency, Varicocele, and shrunken parts. THE LATEST METHOD TREATMENT WILL CURE YOU. I guarantee it as a positive cure for these conditions. Read the following sworn affidavit. I will only use testimonials used unless patients give sworn permission.

Jan. 18, 1900.
This is to certify that I had been a sufferer from Nervous Debility, loss of vitality and weakness for a long time; had been doctoring both in Canada and Detroit without receiving any benefit, and placed myself under Dr. Goldberg's care, Dec. 28, 1899. I noticed an improvement in my condition in less than one week; was discharged entirely cured April 10, '00, and have had no return of said trouble.

Subscribed and sworn to before me this 11th day of January, 1900.

MADE A GOOD IMPRESSION.

A Case of Well Developed Nerve, Coupled With Wit.

"There is absolute wit in some men's nerve," said a business man to a reporter. "My partner and I, with the intention of expanding our business, about a year ago decided to send a representative through the south. We looked over the field carefully and finally picked out a young man who was possessed of good address and who, we felt sure, would do the work."

"He had been convivial in former days, but his deportment had been such for a year that it made us feel confident he would do the proper thing. He was given \$400 for expenses and was started out on the mission. It was the understanding that he was to make a daily report of his efforts."

"Two months passed by, and we never heard from him. We telegraphed repeatedly to different towns that were on his itinerary, but not a word could be learned regarding his whereabouts. Finally one day a hurried telegram, collect, came. It read:

"I am not selling many goods, but am making a fine impression. Wire \$100 quick."

"The nerve of the fellow got our nerve, and, do you know, we wired him the \$100, and afterward he made good. We have never asked him what he did during the two months, but he has never broached the subject to us. It was the wit that pleased us."

"I am not selling many goods, but am making a fine impression. Wire \$100 quick."
