WIDOW'S THEFT

Lottery King's Wealth Hidden by His Wife and \$254,000 Misappropriated.

Chicago, Sept. 11.—A special to the Tribune from New Orleans says: The grand jury has returned an indictment against Mrs. Rose Branche Dauphin, widow of Maximilian Dauphin, for many years president of the Louisiana state lottery. Mrs. Dauphin is said to be ill in or near New York. Dauphin, who was president of the Louisiana State Lottery Company, died in 1891. His estate was inventoried at \$100,000 his widow and a friend, being executors. There were other heirs, including Dauphin's mother. The estate was settled up, the heirs paid their share and the widow and legatee came into possession of the rest of the property.

Eleven years after the settlement, among the effects of Judge Porche who has been Mrs. Dauphin's lawyer in the probate case, an old, badly-worn paper was found, giving list of a large number of bonds, which apparently formed part of the Dauphin estate, but which had not figured in the inventory.

Mrs. Dauphin was called on to explain. She failed to appear before a Louisiana court but piece by piece the trouble buried for eleven years was brought to light. Dauphin had kept his money and securities in a box in his room and was a much wealthier man than many supposed. From that box his widow, it is charged, had removed and secreted \$214,000 in securities and \$40,000 in cash. In order to cover up her work she is alleged to have sold the bonds, invested and re-invested the money in new securities, so that no trace could be found of it. She kept no bank account and frequently hid \$100,000 on her person in \$1,000 bills.

Judge Lasarus, counsel for the heirs, succeeded in tracing every bond for more than twelve years. The court awarded judgment against Mrs. Dauphin for \$388,066.

Theatrical

The Grand will open the season on Monday, Sept. 22, when Roland and Young's Big Comedy Company commence a week's engagement, presenting a repertoire of comedies and dramas. The company is headed by Miss Marjorie Adams, a young actress who is said to have made rapid strides in her chosen profession. A change of play each night.

Manager Brisco has been unable to obtain Princess Chic to open the house, but the above attraction which opens the house is a good one, as it opens the London house with a week's engagement.

RECEPTION TO PASTOR

Next Monday night the young people of the Park street Methodist church will give a Social Evening in the school room of the church, at which time the new pastor, Rev. Mr. Cobble, will be formally welcomed into the work and leadership of the Young people's work. An opportunity will be given for all present to greet each other after the holidays, welcome strangers and to meet Mr. Cobble. A very enjoyable program will be rendered during the evening. All the young people of the church and congregation are urgently asked to come out on that evening, and a cordial invitation is extended to all, especially to those who may be in the city for a short time only, attending college or school.

DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a running sound of imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free.
