When Constipation Poisons the System

Fruit-a-tives will set everything right. These fruit tablets act like magic on the whole digestive tract. They stir up the liver—make it excrete an abundance of bile. The bile makes the intestines move regularly and naturally every day. And Fruit-a-tives leave no constipating after-effects, like calomel, cascara and liver pills.

By curing Constipation to stay cured, FRUIT-A-TIVES purify the blood—clear the complexion—stop bilious headaches—help digestion—make you eat and sleep well.

"I have used Fruit-a-tives and think them the best remedy for Constipation I ever tried. I gladly recommend them to my friends and to everyone suffering from Stomach and Liver Troubles."

Miss J. C. LAW, Essex, Ont.

Fruit-a-tives are pure fruit juices in tablet form—the discovery of a well known Ottawa physician. They act so mildly that even the children may take them without griping or harsh pain. And Fruit-a-tives leave no astringent after-effects.

If Constipation is your trouble, cure yourself with

Fruit-a-tives

He was surprised at how the sores healed. "I took your New Method Treatment for a serious blood disease with which I had been afflicted for twelve years."

I had consulted a score of physicians, taken all kinds of blood medicine, visited Hot Springs and other mineral water resorts, but only got temporary relief. They would help me for a time, but after discontinuing the medicines the symptoms would break out again—running sores, blotches, rheumatic pains, looseness of the hair, swellings of the glands, palms of the hands scaling, itching of the skin, dyspeptic stomach, etc. I had given up in despair when a friend advised me to consult you, as you had cured him of a similar disease 8 years ago. I had no hope, but took his advice. In three weeks' time the sores commenced to heal up and I became encouraged. I continued the New Method Treatment for four months and at the end of that time every symptom had disappeared. I was cured 7 years ago and no signs of any disease since. My boy, three years old, is sound and healthy. I certainly can recommend your treatment with all my heart. You can refer any person to me privately, but you can use this testimonial as you wish."

It isn't always as pleasant as a person might think to be treated as a member of the family.

Money does not bring culture, but it enables a man to make a bluff that is a satisfactory substitute.

About the only thing some men can remember about their boyhood days is when they had to turn the grindstone.

You can't expect things to be as good as they used to be when your ability to enjoy them is worn out.

Sometimes the difference between a crazy person and a genius is that the genius is harmless.

Some men don't dare go into politics lest their wives should find out how mean they are.

A bad debt is one you just can't get out of paying.

All Household Roads Lead to Kitchen Work

NINE-TENTHS of kitchen labor and worry is caused by ill-working cook stoves and ranges; by ranges that

draw poorly; that have such complicated drafts that only a skilled mechanic can manage them; whose grates are so constructed that it is a strong man's work to shake them down; ranges which work well when the wind is in a certain direction, but act like a fiend at other times; ranges whose work is so unreliable that the housekeeper is in a constant nerve-racking worry lest the meals be late or the baking spoiled.

The Pandora range is built to make work easy, a child can shake it down; its drafts are so simple that one learns them in a minute; its heat is kept in the range so effectively that you can do a big baking and hardly know there is a fire in it two feet away; it keeps the kitchen cool; it saves you worry; it saves you time and money; it saves you backaches and headaches, because it is so easy to manage and so reliable.

The Pandora makes kitchen work easy.
