study housekeeping, so that when I am On Sunday a couple boats from a neight he pronounced the officers and the crew TWENTY THREE YEARS OLD.—I am no man while engaged with a hook and time and exclaimed again, 'You're a liar.'

A SCENE IN A CHURCH.

The other day the Narragausett steamship, with three or four hundred sous on board came into collision with another steamer, and there was great loo of life. Phis was a "current topic" after Mr. Harcourt own heart, and by way of improving is still carried on to some evten, and the people living in outlying districts think that there is nothing illegal or immoral in plundering or stealing from a wreck any more than smugging from a wreck any more than smugging from a wreck any more than the customs officials are at a safe distance. According to information received at Kinkwall it appears that at the wreck of the bar-

such occasion. This is the more remarks chief actor in the scene naturally grew able when it is considered that the ship excited. Presently Mr Harcourt dropwas only o few days out, and had there- ped his vived word-painting to come to fore to be well provided with, stores for come to judging. He could not hall the a veyage to America. The legs of the conlision an accident, he srid and probathe future as I do, and such pleasant cabin table have been sawn across close ibly he was right. It was, he went on disorders of the Liver, Stomach Kids plans too. It seems to me one need live to the floor, and the table bookly carried only to be happy. I shall soon leave school only to be happy. I shall soon leave school carried only to be happy. I shall so to the school carried only to be happy. I shall so to the school carried only to then I intend to read a great deal, and several of these have been fishs captains of the steamboats," and from ed up by the wreckers and appropriated. all he had heard or "read in the papers" and Ulcers, of however long standing. married I may make a pleasant home for bouring Island, were seen to arrive near to be "the most cowardly tse of men the scene of the wreck, and after loading that ever manned a boat." This was to NINETEEN YEARS OLD, -Two winters in up cargoes of wood and material, set sail much for Captain Young of the Narrag. for home. At this time there were two men stationed at the wreck as watchman, but the boats were not observed by them and it is supposed that they had secured their cargoes from caves in which the wreckage had been previously cancealed.

Even wreckers stole from wreckers. The Even wreckers stole from wreckers. The er heard him, as he showed no sighn of barque's hold was sull of water, and one recognition, he leaned forward a second box of German toys. These he did not it it were smothered by the deep sense consider valuable enough, and laid to of his indignation, preven ed it from be. one side until something better was hook. ed; but on looking rounk shortly afters and the preacher went on as if nothing wards the box had vaished. Another had occurred." But the preacher heard tok a burden of preserved meat home it clearly, for when he had finished his with him and deposited itfor safe keeping sermon he offered up a prayer, in which on the top of a square wooden bed. A he prayed for the man who had so far for. neighbour, however, who had observed gotten himself in the house of the Lord, house, and the bed standing between the ed by the Spirit to a better life. It was culty in appropriating the tin. Lots to commit Captain Young to the charge of the bottles of wine have been built in of the Spirit. At the close of the sers peat stacks fog concealment. Although vice he was taken away to the police the folks have stolen in this wholesale court, and the next morning was brought manner from the wreck and from each before the magistrate. On his behalf it other of wracked material, an ordinary was contended that he had a right to recase of theft is scarcely ever reported. price of my Pills and Ointment, and are reason years glide on marked by many count have forgotton himself as to make such THE LATE MR TOM TAYLOR. -Mr Tom a remark, but the provocation he received
