## FARMERS' ATTENTION

-IS DRAWN TO THE- FOLLOWING FACTS:

First. That hay is scarce and straw abundant, and that you can save over one-third by cutting up both and mixing equal parts.

Second. That potatoes and turnips are a high price, while barley and oats are cheap, and saving of one-third is made by grinding one or both together for horses, and fattening stock do better on less roots and more cracked grain.

Third. That the BALDWIN'S AMERICAN Fodder Cutter I. X. L. GRAIN CRACKER

Best Implements ever brought to the Island for the above work, by doing more and better work with less power, least liable to breakage, and easier to operate and keep in order than any other made in the Dominion of America, and saving one-third in the week. Over 50 are now sold on the Island.

The latter took First Prize at the Great Western Fair, London, Ont., in 1880, and can be seen in operation in our Warehouse any day in the week. Over 50 are now sold on the Island. Please give your orders and secure at once as our stock is limited and our agents can only receive them on written orders. Also, the best Turnip Cutter made: will cut all kinds of roots.
