the skids and gangways. Watchman night, saw to the checkers houses, and lof the accident.

Shortly before midnight last night (going to the big shed locked the doors and just as the Allan Liner Mongolian on the western side, then the eastern was being got ready to proceed on ones, and later proceeded down the her voyage to Glasgow, the central shed to bar up the doors at the head part of Shea & Co's, big pier which is of the pier. He then came around shedded over collapsed and suddenly again to the eastern doorway, and on sank bringing with it a large amount | arrival there suddenly heard a loud of goods which must be badly dam- crash and saw the wharf go down aged if not totally destroyed. It is bringing everything stored thereon thought that on the submerged part with it, the pipes going to bottom inof the pier were stored about 2,500 stantly. Mr. Power had a narrow brls. flour, 2,000 sacks flour, 1,000 escape from death, and could not get sacks cattle feed and 200 iron pipes, away before he was caught in the deb-

Moakler, and escaped with only a few About midnight the work of dis- bruises. Messrs. W. and T. O'Brien, charging the Mongolian's freight had Et Moakler and others were now on been finished, and it was fortunate the scene, and the portion of the that it was so and all the 'longshore- wharf which had not already gone men gone home, or serious loss of began to subside and eventually went life must have occurred. Only a few under, so that fully 70 feet of the men were about mostly out on the wharf in circumference is submerged. Death of President head of the pier putting the mails on board the ship and getting down occurred, and it was fortunate that P. Power closed the gate for the no person was in the shed at the time

Special to Evening Telegram.

Pope Pius Tenth has issued a motu proprio, giving new and practical measures to be adopted against the growing modernist campaign. The Pontiff reiterates all of the rules previously set forth against modernism, especially in the Encyclical Pascendi and adds that the Bishops and the Rectors of the Catholic colleges musi watch attentively the development of young clergy, seeing to it that they are well prepared to fight error, forbidding them to read newspapers and periodicals and avoid distracting them from their studies. Every professo representing several hundreds of tons, ris but was rescued by Mr. Edward in beginning his course, every acolyte before being promoted, ever new professor, curate, canon or holder of a

Special Evening Telegram.

BOSTON, Sept. 9. Solicitor-General Lloyd Wheaton Bowers, life-long friend of President Taft, died at the Hotel Touraine in this city to-day. Death came suddeny, the result of cardiac thremus, which ended an illness of a month due to an attack of bronchitis. The eath of Mr. Bowers, who relinquished an exceedingly remunerative position as railroad counsel to take up the duties of Solicitor-General at the in ance of President Taft, removes a spective candidate for one of the acancies in the Supreme Court. In act Mr. Bowers had been mentioned ominently as the next Chief Justice

30 Lives Lost by Sinking of Car Ferry.

Thirty lives were lost to-day when he Pere Marquette Car Ferry, No. 18, bound from Ludington to Milwaukee. went to the bottom of Lake Michigan half way across. The dead include Captain Kilty of Ludington, the purser and wireless operator, whose sigals of distress brought assistance to the sinking steamer, and two members of the crew of Car Ferry No. 17, who lost their lives in an effort to rescue the crew of No. 18. The steamship company issued a list of 35 names of; survivors, all members of the crew,

most of whom were brought here to night on Car Ferry No. 17. Eight bodies were recovered, six being brought here on Car Ferry No. 17, and two being taken to Milwaukee. The cause of the disaster is a mystery. The cabin watch said that the boat was very low at the stern when the first alarm was given. He said they pushed railroad cars into the lake to ease the vessel, but without avail

The progressive firm of Bowring Bros. are taking time by the forelock and are now putting all their wooden sealing ships in thorough repair for the coming sealfishery. An army of shipwrights and other workmen are

getting new sheathing and having their decks caulked and otherwise repaired. The engines and machinery are also being attended to and will be thoroughly overhauled and repaired. The ships the coming spring will be in splendid trim to follow up the harps and hoods, which we hope they will do with their accustomed success.
