Ladies' Costumes Fall--1915--Styles.

Was there ever a more fickle lady than Dame Fashion? She is always making changes, and this season has surely surpassed herself.

There is a more decided change in this Fall's styles than has been known for many seasons. While materials are similar, Serges, Gabardines, Tweeds, Cord, etc., the designs are absolutely unlike any of their predecessors. Coats are of many styles, chiefly a la militaire, with high collars, snug-fitting sleeves, and the entire coat in some instances is beautifully braided. Skirts are much fuller, both pleated and gored, and are worn very short.

As descriptions are quite impossible, we can only say that we carry the largest and smartest line of Ladies' Costumes in the city.
