TO-DAY'S

Messages.

10.30 A.M.

MONK ASSASSINATED.

BERLIN, To-Day. puted to have exercised great influence over Emperor Nicholas, has been as sassinated, according to reports from Petrograd received at Bucharest.

RELEASING LOYAL VOLUNTEERS

DUBLIN, To-Day. National volunteers, who were fol-lowers of John Redmond, and who were arrested as Irish volunteers, are now being released. General Max well, the British commander, granted facilities for the identification of loyal

ADVANCING TOWARDS BRITISH LINES.

LONDON, To-Day German forces in German East Africa, after retiring from Kondoa Ir angi district, have received reinforce ments and are again advancing to wards the British lines, according to night. Telegraphing on May 9, Lieut General Smuts reported that the en emy in the Kondoa Irangi area, afte our occupation of that centre, fell back a considerable distance along the leading to the central railway Now the present rule was "washing odoma and Kilimatinde. There out that life work in a sea of blood." received reinforcements and Out of the whole of Ireland, Dillon roads leading to the central railway at Dodoma and Kilimatinde. There again approached Kondoa Irangi dis-trict, where our forces are quite suf-five spots where there was insurrecficient to deal with them. An aero-plane despatched to reconnoitre the line of the Usambara railway failed trace of civil administration. The duanda, both north and south of Lake fuse to accept the well known high Kivu, progressed satisfactorily despite the natural difficulties of the country increased by recent rainfall.

ASQUITH ADVOCATES UNITY.

LONDON, To-Day. It was of the utmost importance, said Asquith, that after these disturbrebels fighting for them in the British and Asquith, that after these disturbing events we should forsake all past prepossessions and recognize that the vast mass of the Irish people have shown themselves loyal to the Crown and determined to maintain law and resolute to prosecute the war. We ought to seize the opportunity of deput of the property o good feeling by co-operating in the endeavor of putting aside all controversies of the past and unite Ireland berself as a constituent of the past and unite Ireland berself as a constituent of the past and unite Ireland berself as a constituent of the past and unite Ireland berself as a constituent of the past and unite Ireland berself as a constituent of the past and actually placed against a wall in order to persuade them to become informers. Premier Asquith opened against a wall in order to persuade them to become informers. herself as a constituent of the United lon and expressed deep regret that the Kingdom and Empire to the common task which absorbs all our common energies. With reference to the Skefflington case, Asquith said on the facts guidance in dealing with such a serinown to the Government it seemed to be an excusable act, but the case was subjudice. All he could say or promise was that an open inquiry would be held.

ASQUITH AND CONDEMNED LEAD-ERS.

nterfere with the discretion of General Maxwell, Commander of the croops in Irleand and say the extreme penalty should not be inflicted. He was unable to reconcile it with his science or his judgment that diferential or preferential treatment should be accorded in case of men of equal guilt. Proceeding to refer to the rank and file of the rebels as dupes, he said they had been misled almost unconsciously and the Government desired they should be treated with clemency, that every oppor-tunity should be given them in future to redeem their error. The Govern-ment regarded the existing situation in Ireland as anomalous and in many ways unsatisfactory, but he had the greatest confidence in General Maxwell and believed under very trying conditions and in the exercise of a ery delicate and difficult jurisdiction he had shown discretion and human

Bombardments also have taken place along the front he civil executive in Ireland had almost ceased to exist. It was very desirable that provision be made at the held by the Belgians, and mining operations and artillery duels have arliest possible moment for the fupredominated on the British front. A ASQUITH LEFT FOR DUBLIN. Premier Asquith left Euston Station -night on board the Irish mail train LONDON, To-day. Mr. Dillon said the fact that nine out of ten people in Ireland were on the side of the Government was due to the life work of the Nationalists, put the Russians to flight. The British | longer.

Kent who had been guilty of murder.
At present everything conceivable, said Dillon, was being done to speed

disaffection throughout the country. Limerick, Clare, Mayo counties were not in a disturbed condition and their

reward was the sending down of troops to make arrests. "If Ireland

were governed by men out Bedlam," shouted Dillon, "they could not pursue a more insane policy. You are letting loose a river of blood between two races, which after 300 years of hatred we had nearly succeeded in history together.

bringing together. You are washing out our whole life work in a sea of blood." This and other telling points

There was a lively incident at the conclusion of Dillon's speech. He was saying the insurgents had made a good

clean fight, however misguided. He was interrupted by a member and re-torted "It would be a good thing if

your soldiers were able to put up as good a fight, three thousand against twenty thousand, machine guns and

artillery." Premier Asquith's an-nouncement of his intention to go to

Dublin to a large extent took the life out of the debate in the Commons. Timothy Healy, Nationalist, for the

division of Cork County, who followed Asquith, congratulated him on his

lecision. He considered those responsible for the Government of Ireland and been grossly misled and by some

of his own countrymen. The time

their prime, their youth, their homes left mourning. Let not our sympathy be entirely captured by the unfor-tunate misguided victims of this un-happy criminal act," added the Premhappy criminal act," added the Premier, who said that some sense of proportion must be preserved, as no fair man could blind himself to the "terrible wanton inexcusable and unprovoked injury" which had been inflicted on the military and civilian population. The Premier explained actually 13 persons were shot, the last case being that of Kent for murder. The Premier promised further court marbeing that of Kent for murder. The Premier promised further court martials for murder would be conducted publicly. The persons executed, he said, could be divided into three categories: the first was composed of those who signed the proclamation of the Provisional Government and were leaders in the actual rebellion in Dublin; of these five out of seven suffered the extreme penalty; the second class comprised those were in command of

(From the London Advertiser.) There is not, nor has there been any revolt of the Irish people; there has been a rising of a comparatively A statement, issued last night, gives the names of six additional men, tried in their composition for any feeling

man money carried weight with them. true Irish type is the young girl who rushed into the streets of Dublin under a hail of bullets from the rebels, to rescue and drag to safety the wounded soldiers of the King as they lay unprotected. That is the spirit of the men who are fighting so gallantly in France for all they hold dear, and are yet ready to risk their lives to give a drink of water to a wounded foe. It is wrong to say the outbreak is a blot on Ireland; rather it has brought the loyalty of the true Irish into clearer perspective. They have aided, Catholic and Protestant alike, fearlessly in stamping out the sudden flame of insanity, and by doing so have increased the respect in which the world holds them. John Redmond fears the trouble may delay or lose forever Home Rule. Why? Are not the Irish people even now striving by
