Great Cure of Liver Complaint and Dyspepsia in Canada.

Consecon, Prince Edward Co., C.W. & March, 1887.

Messrs. Young & Chamberlain, Sirs—Having proved within my own person that there is a medicine that will indeed cure Liver Complaint and Dyspepsia. I am induced to give this statement under oath, which is to certify that I have been severely afflicted for the last three years, according to the Doctor's statements, with Liver Complaint and dyspepsia. I had a feeling of sinking and acute uneasiness about the stomach, worse than pain, eructations of wind, occasional pain, drowsiness, constipation, uneasiness in the right side, headache, a poor appetite, &c., and was greatly reduced in strength. Hearing of your new Indian medicine, the Great Shoshonee Remedy, spoken of so highly, I tried a bottle with your Pills, from these I must say I found but little change, but I took another and then found my health improving. I continued it until I have taken about ten bottles, using the Pills, and I find that I have recovered. I eat hearty without pain or uneasiness. I am well and have pleasure in attending to my business. The doctor remarked to me I was looking much better. I told him that the Great Shoshonee Remedy was doing it. I have recommended the Remedy in several cases, and it has invariably given good satisfaction, and I would strongly recommend it to all afflicted as I was.

AMBROSE WOOD,
Sworn before me at Consecon, C.W., this 15th day of March, 1887.

J. M. CADMAN, J. P.,
Commissioner in Q. B., in and for the Co. of Prince Edward, C.W.
