Pottsville, Pa., Oct. 15.—The number of men killed and injured by the explosion of gas at the Philadelphia and Reading Company's Sterling Run Colliery at Shamokin is eleven. AN ELECTION IMMINENT.

There is confirmatory information from Ottawa to-day that Mr. Meredith, of Toronto, is about to resign the seat for London in the Legislature and enter the Dominion Parliament. The Ottawa bosses despair of his being able to defeat the Ontario Government, hence the new deal. Mr. Meredith's resignation means a new lection for the Legislature in London.

The lists are now being prepared. Every man of 21 years who is a citizen is

entitled to a vote.

Are the names of all your companions? See the list at the Young Liberal rooms to-night and get your name put on if it is not. Aid in getting the list as complete as possible. The time to act is now. It will be too late to get a vote one week from

A ST. THOMAS TRACEDY E

Woman Shot Three Times this Morning.

The Wounds Probably Fatal—A Half-Crazed Man Named Sullivan the Perpetrator-No Provo-

At 7 o'clock this morning, in St. Thomas, a maiden lady named Miss Henderson, who keeps a boarding house, was shot three times by a boarder named Sullivan. Sullivan is a well-known character about the city. Some time ago he was committed to the asylum for insanity, but was afterwards released. He had boarded for six or seven years with Miss Henderson and though his mental condi-tion was never regarded as sound he was not considered dangerous. Miss

Henderson was preparing his breakfast at the time when Sullivan suddenly presented a revolver and fired three shots. One entered her arm, one her leg and the other her body, the latter burying itself in a vital spot. She is not expected to live. Sullivan is under arrest. There were several boarders, mostly railway men, in the house when it happened.
