Lively Discussion at a Meeting of the Ministerial Association.

Exception Taken to the Course Pursued by Rev. George Fowler,

And That Gentleman Vigorously De. fends Himself-Joint Meeting With the Anglican Clerical Association Arranged For,

The Ministerial Association had a lively discussion on the Sunday church parade matter at its regular meeting this morning. Rev. Walter Rigsby, president, was in the chair, and there were also present: Rev. Geo. Fowler, (secretary), Rev. E. B. Lanceley, Rev. Robert Johnston, Rev. T. S. Johnson, Rev. A. G. Harris, Rev. R. L. Holden, Rev. T. W. Charlesworth, Rev. J. W. 9 Pedley, Rev. J. G. Stuart, Rev. A. Stewart, Rev. W. J. Clark, Rev. A. L. Russell, Rev. Benjamin Clement, Rev. Dr. Daniel and Rev. Wm. M. Walker.

Rev. W. J. Clark introduced Mr. Peter Scott, the student, who is in charge of the Waterloo Street South Mission, and Mr. Scott was invited to participate in the meetings of the body while he remains in the city.

Rev. A. G. Harris reported on behalf of a special committee re services in hospital and other public institutions. He said that the ladies in charge of the matter complained that the ministers did not keep their appointments, and that they didn't come at the proper time even while the ladies

other date. Rev. Robert Johnston moved that the Ministerial Association co-operate with the Lord's Day Alliance in this matter. The motion carried, and the president, Rev. Walter Rigsby, was appointed the representative of the association.

Rev. Mr. Pedley said that the depu-.333 tation which waited on him re the St. .333 George's Society church parade, had informed him that there was a resolution on the books of the association prohibiting the preaching of such sermons. In view of that, he declined.
