Chicago, Aug. 29.—Robbers who last night looted nineteen deposit boxes in the Security Trust and Deposit Company's vaults in the Masonic Temple, obtained \$224,000, officials of the company announced today. The loss is covered by insurance

ficials of the company announced today. The loss is covered by insurance.

The bandits, four in number, bound the outer and inner guards of the vaults, which remain open 24 hours a day and proceeded to work by a list which apparently carried the number of selected boxs, leading police to believe the robbery was an inside job." The two guards are being detained.

Morris Lipschuitz, a newsboy, reported to police he lost \$11,300 in cash and jeweiry valued at \$900.

Chicago, Aug. 29.—The raid on the safe deposit vaults of the Security Safe Deposit Company in the Masonic Temshall have an election or not," he declared in reply to a question, "although I have just returned from Ottawa I have no further information on that subject than before I left here.

"Personally, however, I fully believe that the people would be up in arms generally should the present administration call an election without first having made a redistribution of seats. I do not consider that it would be justice to the electors to elect a house that would at least be in power for the legal limit of five years, based on a ten-year census."

Fair Redistribution.

# the legal limit of five years, based on a ten-year census." Fair Redistribution. "Now, when I say a redistribution, I nean a fair one," replied Major Cronyn, when asked about the charge of the Liberal leader, Hon. W. L. M. King, that a redistribution process would only mean "gerrymandering" the constituencies to insure the return to power of the Meighen administration. "As I understand it the last redistribution was handled by a joint committee of the House, and I believe there followed no charges of "gerrymander."

#### SPECIAL MAINS SUGGESTED FOR NATURAL GAS

Committee Handling the Civic Gas Supply Problem To Meet Tonight.

MEET REBATE

If City Gas Company Remains Obdurate, Action May Be Taken.

Members of the special gas committee, selected from the city council and local chamber of commerce, will meet tonight to decide upon the offer of the City Gas Company and Progressive Gas and Oil Company of Hamilton, to deliver natural gas to consumers in this city at 85 cents per thousand cubic feet. At the last meeting the committee decided that this price was too high, but Ald. W. A. Wilson, chairman of the special committee, believing that this offer should be accepted, has called tonight's meeting in the hope that there will be a better turnout of members to decide the question.

meeting in the hope that there a better turnout of members to decide a better turnout of members to decide the question.

The natural gas is flowing at a rate of 500,000 cubic feet daily from wells of 500,000 cubic feet daily from wells of 500,000 cubic feet daily from wells of flowed on the Saul farm near Crumlin by the Hamilton firm. These promoters originally offered their product delivered to the city llmits at \$5 cents per thousand to distribute the gas in East London.

The raid on the of the Security Safe in the Masonic Temply four unmasked bandits about \$250-64 today. The robact doday. The robact doday d

and declare that if a refusal is met the natural gas might be distributed to Londoners via special mains, as the City Gas Company does not hold the exclusive franchise for supplying gas to local consumers.

### MAKES AN OFFER TO NAT. GAS COMPANY

#### SILESIAN QUESTION BEING CONSIDERED BY LEAGUE COUNCIL

Solution of Perplexing Problem Is Left With Noted Allied Experts.

Geneva, Aug. 27.—Solution of the Silesian question, which has puzzled the ablest diplomats of the allied antions for many months, was taken up here today by the council of the League of Nations. Viscount Ishii of Japan, A. J. Balfour of Great Britain, Leon Bourgeois of France Paul Hymans of Belgium, Marquis Imperiali of Italy. K. Weillington Koo of China, Count Quanones de Leon of Spain and Gaston do Cunha of Brazil, all members of the council, were present. The fact that they were ready for today's session and were not represented by substitutes in any case, was taken as an indication of the importance the council attached to the Silesian question.

It was anticipated that the assembly of the League of tions, which will meet here next Mon to finish its work in was indicated that if the was indicated that if the was indicated that if the selected president of the assembly.

HELD ON CHARGE OF

#### HELD ON CHARGE OF

Ottawa, Aug. 29.—Two men were arrested over the week-end by Detective Robert Fox of the Ottawa police department on a charge of false pretences, somewhat different from other false pretences charges usually laid. The two gave their names as Henri Menard and Steven Roland, both of Ottawa.

Menard, who is said to go under several different names, and also to be on ticket of leave from St. Vincent de Paul Penitentiary, is alleged to have approached an Ottawa man, who has a brother in the St. Vincent de Paul Penitentiary, and offered to get the brother freed on ticket of leave. He is alleged to have taken this man to Roland's room, where the latter posed as a secretary to some high-official.

## Many Graduates Have Made Names Prominent in Med-

union by former teachers of the 1912 class.
Of the 47 graduates in this class, which is the largest number ever graduating at one time from Western University Medical School, thirty have definitely signified their intentions of attending the reunion. They will inspect the new Western University Medical School on Ottaway avenue, and be afforded an opportunity of seeing facilities provided for medical students at Western now as compared to those of 1912. TO ARCTIC REGIONS

The committee in charge of arrangements for the reunion is as follows: President, Dr. James Campbell, of St. Thomas; secretary; Dr. F. Clegg. of London; Dr. Norman Schram and Dr. W. S. Downham, also of this city.

#### MOTOR CLUB WARNS MOTORISTS AGAINST FAKE CONSTABLES

Only Magistrates Have Power To Impose M. V. A.

To be appointed head of the advance all car owners to pay over no money to men who under the guise of constables might stop them on the road. The officials strongly advise all motorists stopped in this manner to demand that they be taken before a magistrate, the only person with power to levy a fine for breaches of the O. M. A.

The warning was issued chiefly for the benefit of American tourists who in most instances are unfamiliar with the method of procedure in this country. A large number of Americans stopped in this city over last week-end, and as many as possible were warned personally before they continued their journey this morning.

A good description of the men who

#### COMMITTED SUICIDE

Salem Mass. Aug. 29.—A group of men stood conversing on a street corner here last night. One of the number, John L. Whelan, casually asked his companions whether they considered a man who committed suicide a coward. Without waiting for a reply, he strolled into the street, placed a dynamite cap in his mouth and bit it. He died at a hospital ten minutes later.
