Face, Neck and Arms Easily Made Smooth, Says Specialist

Any breaking out of the skin, even flery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, declares a noted skin specialist. Because of its germ-destroying qualities, this sulphur preparation begins at once to soothe irritated skin and heal eruptions such as rash, pimples and ringworm.

It seldom fails to remove the tor-

ment and disfigurement, and you do not have to wait for relief from embarrassment. Improvement quickly shows. Sufferers from skin trouble should obtain a small jar of Rowles Mentho-Sulphur from any good druggist and use it like cold cream .-- Adv

35c "Danderine" Saves Your Hair-Ends Dandruff! Delightful Tonic

erate destructive dandruff. A little Danderine now will save your hair thicken and strengthen it; double its

Falling hair never stops by itself Dandruff multiplies until it forms crusty scale, destroying the hair roots and all, resulting in baldness. Your druggist will tell you that 'Danderine' is the largest selling hair saver in the world because it corrects and tones sick, ailing hair of men and women every time. Use one bottle of Danderine, then if you find a single falling hair or a particle of dandruff, you can have your money

WOMEN! DYE IT

Waists Coats

Kimonas Curtains Sweaters Coverings

Buy "Diamond Dyes"—no other kind—and follow the simple directions in every package. Don't wonder whether you can dye or tint successfully, because perfect home dyeing is guaranteed with Diamond Dyes, even if you have never dyed before. Just tell your druggist whether the material you wish to dye is wool or silk, or whether it is linen, cotton, or mixed goods. Diamond Dyes never streak, spot, fade, or run.—Advt.

Are you protecting your throat?

Do you realize that the throat is infection's direct route to the system, that it is the gate-way to seven pas-sages entering head, lungs and stomach?

Destroy the disease germs before they have a chance to develop. Carry the germ-killing throat tablet with you.

Formamint dissolves slowly

Formamint dissolves slowly and releases a potent, yet harmless germicide that mixes with the saliva and thus carries its disinfecting action into every tiny fold and crewice of the throat and mouth

Men Are Queer Things-All Right.

Mr. J. A. McCrea, a well-known resident of California, who was called Daddy and Grandpa on account of his white hair, and who darkened it with a home-made mixture, recently made the following statement:

"Anyone can prepare a simple mixture at home that will darken gray hair, and make it soft and glossy. To a half-pint of water add 1 ounce of bay rum, a small box of Orlex Com-pound and ¼ ounce of glycerine.

These ingredients can be bought at any drug store at very little cost. Apply to the hair twice a week until the desired shade is obtained. It does not color the scalp, is not sticky or greasy and does not rub off."—Advt.
