# TOWE SAYS THE BYLAW CANNOT BE

City Waiting for Final Approval From Toronto On Through Streets.

ENFORCED

FAVOR MAIN STREETS

Hamilton and Windsor Only Ones at Present Using System.

While police authorities have, by the use of pamphlets, embarked upon an eduactional campaign with respect to the through street legislation just enacted in the city council, Chairman Towe of the traffic committee points out that there can be no immediate attempt to enforce no immediate attempt to enforce

The city is waiting for the final approval of the provincial department of highways before they will be empowered to proceed but in the meanwhile the authorities are sending out explanatory notices, as a preliminary move in case the govern preliminary move in case the govern-ment does sanction the measure. Ald. Towe states that it is his lat-

est understanding that a bill is soon to receive the consideration of the legislature whereby the municipali-ties will be empowered to pass such legislation and make it effective at once without further consultation with the Toronto authorities. This power is not possessed at this moment, that is, so far as the through street proposals are concerned.

Nothing has yet been heard from the provincial department with rethe provincial department with respect to the proposition while the police authorities of Hamilton and Windsor submit favorable reports upon this system, however. These
