SLEIGHS,

Toronto laland, respectfully showeth:

1. That your petitioners, without desiring to refluct on thous who have heretofore carried on the Island ferry business, say that it has always been open to the following sortious expectations when as tendency of the following sortious expectations when as the when it would end, with the result that Island residuals have been obliged to go there have the would end, with the result that Island residuals have been obliged to go there have the would have otherwise done so. (f) There have been from year to year, and as the would have otherwise done so. (f) There have been from year to year, and any endough the following and handles of the hours of running, which have been perplexing and amonying to your petitioners. (f) There have also been changes in both from year to year and often during the same year, so that while the service between certain points has been at times most satisfactory, it has been at others guits the reverse. (f) The habit or year is year and often during the same year, so that while the service between certain points has been at times most satisfactory, it has been at others guits the reverse. (f) The habit or year is year and often during the same year, so that while the service between certain points has been at times most satisfactory, it has been at others guits the reverse. (f) The habit or year is year and often during the same year, so that while the service between certain points have been just what is regulared in servy bear of them have been just what is regulared in servy bear on Toronto Bay.

2. Your petitioners believe that a ferry service.

3. Your petitioners respectfully submit that the past and the pust, satisfied that on manufact and impossible to expect on the private enterprise and compatition and equate and effective ferry service.

4. Your petitioners respectfully submit that the past and the pust, satisfied that a promount of the citizens of Teronto.

5. From the expectage which your postitioners of the private respectation. The pri

Colds, Coughs, Bronchitis,

And other affections of the Throat or Lungs, are speedily cured by the use of Ayer's Cherry Pectoral. This medicine is an anodyne expectorant, potent in its action to check the advance of disease, allaying all tendency to inflammation and Consumption, and speedily restoring health to the afflicted. On several occasions, during the past year, I have used Ayer's Cherry Pectoral. In cases of severe and sudden Colds, if used according to directions, it will, judging by my experience, prove a sure cure, — L. D. Coburn, Addison, N. Y.
