

CARPETS SEWED AND LAID FREE

This offer is made with the view of inducing every person in need of a Carpet to visit our Carpet Department and inspect our magnificent display of All Kinds of Carpets.

We Know and Want You to Know That We Can Serve You Better Than Any Other Firm.

We buy direct from the manufacturers. We buy largely and sell on as close a margin of profit as possible. We believe in small profits and quick returns, and by dealing with us you not only secure the very latest patterns, but you save the middle man's profit.

HONEST TREATMENT. BIG VALUES. RELIABLE GOODS

Have made it necessary for us to keep adding to our premises, and while in the beginning we were able to conduct our business in one store, we now find that Two Stores and Three Warehouses are not half large enough. We started on the One-Price system and marked everything in plain figures, the surest indication of right prices. We still mark everything in plain figures and shall continue to do so as long as we can sell goods cheaper than any other firm. 7 CENTS PER YARD is the regular price charged by carpet-layers for sewing and laying carpets, and to every person visiting our Carpet Department from to-day until December 1, 1890, we intend to give a coupon, the fac-simile of which is printed below, entitling the holder to have any Union, All-wool, Tapestry, Brussels or Velvet Carpets purchased from us on or before December 20, SEWED AND LAID FREE.

THUS ANY PERSON HOLDING ONE OF THESE COUPONS AND PURCHASING 50 YARDS OF CARPET WOULD SAVE \$3.50.

You wonder how we can afford to do this. We could not afford to do so permanently, but we believe that this offer will be the means of bringing thousands of customers to us, and will be the means of expanding our colossal business, and we know that a visit will convince the most sceptical of the truth of our claims. Come early. We have made arrangements that will enable us to sew and lay all orders promptly.

CREDIT FREELY GIVEN TO THOSE DESIRING IT WITHOUT INTEREST OR EXTRA CHARGE.
