GRATEFUL-COMFORTING.
EPPS'S COCOA
BREAKFAST.
By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine process of preparing his Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which saves many a weak and nervous stomach from the effects of indigestion. It is the judicious use of such articles of diet that a constitution may be gradually built up until strength enough is acquired to bear a course of treatment wherever there is a weak point. We may escape a feverish attack, but we are not cured, and our system is left in a state of prostration, and we are obliged to resort to medical treatment. Epps's Cocoa is a perfect food, and it is made with pure blood and a properly nourished system. It is a perfect food, and it is made with pure blood and a properly nourished system. It is a perfect food, and it is made with pure blood and a properly nourished system.
J. H. Adams, Esq., Wine and Liquor Merchant, Dr. Sir - This is to certify that my wife has been a great sufferer from indigestion for a number of years. After using the Epps's Cocoa, she is now perfectly cured, and her health is as good as ever. J. H. Adams, Esq., 105 Queen-st., Toronto.
