

CURED HER BOY OF PNEUMONIA

Newmarket Mother is loud in her Praises of the Great Consumption Preventative

"My son Laurence was taken down with Pneumonia," says Mrs. A. O. Fisher, of Newmarket, Ont. "Two doctors attended him. His lay for three months almost like a dead child. His lungs became so swollen, his heart was pressed over to the right side. Altogether I think we paid \$140 to the doctors, and all the time he was getting worse. Then we commenced the Dr. Slocum treatment. The effect was wonderful. We saw a difference in two days. Our boy was soon strong and well."

Here is a positive proof that Psychine will cure Pneumonia. But why wait till Pneumonia comes. It always starts with a Cold. Cure the Cold and the Cold will never develop into Pneumonia, nor the Pneumonia into Consumption. The one sure way to clear out Cold, root and branch, and to build up the body so that the Cold won't come back is to use

WATFORD, NOV. 9, 1906.

Victims of Wild Cat Promoters.

The fact that one of the firms of pseudo-bankers infesting lower Broadway has been taking the fools' money for five years in an indication of its success, says Success.

Not half a dozen mushroom "banking" houses, with elaborately furnished quarters in New York, and branch offices in all the larger towns in this country and Canada and even abroad, are using this ingenious scheme to sell spurious mining oil and manufacturing stocks.

The house most successful at the game has forty branch offices here and abroad, besides agents in many smaller towns. It brings out a new company every little while and sells the stock usually by the mail order and agency system.

Years of experience have given these parasite promoters an invaluable "sucker list"—little investors all over the country whose financial

Help! Help! I'm Falling

Thus cried the hair. And a kind neighbor came to the rescue with a bottle of Ayer's Hair Vigor. The hair was saved! This was because Ayer's Hair Vigor is a regular hair medicine. Falling hair is caused by a germ, and this medicine completely destroys these germs. Then the healthy scalp gives rich, healthy hair.

credulity has not been shaken by repeated losses. These "investors"—wage earners, country merchants, clergymen, teachers and other professional men—are reached through circulars and letters.

The first stocks sold by this house paid cash dividends for a while and the "investors" who were doubling and tripling their savings bank incomes spread the glad tidings among their friends. The cash dividends were followed by scrip dividends—in some cases by no dividends at all. The shareholders who complained too loudly were offered in exchange for their unsatisfactory stocks other stocks in new companies brought out by the house.

A "trust fund established for the protection of investors" is made up, supposedly, of sound mining stocks and when an investor gets tired of one spurious stock he can send it in and exchange it for something else. This, of course, is just as spurious but it keeps the victim quiet for a while.

He is advised to hold the stock until the mine strikes the expected bonanza ore, when the stock will rapidly increase in value. In this manner the house manages to keep its dupes quiet for many months and to sell them more stock besides.—Free Press.

DEATH FROM HEART DISEASE.

A Case of Neglecting a Weak Heart and Tired Nerves.

If your heart flutters, be careful. An attack is liable to come on at any time. Excitement, over-exertion or emotion may cause it.
If blood rushes to the head, if palpitation and short breath are noticeable, there's cause for alarm.

If you want a good honest remedy try Ferruzone. We recommend Ferruzone because we know it's just right for heart trouble. It cured A. E. Beattie, who lives at Allen Hotel, Bay City Mich. See if your symptoms resembles these;

SYMPTOMS OF WEAK HEART.
Nervousness, Palpitation,
Trembling, Dizziness,
Sinking Feeling, Heart pains,
Short Breath, Weakness.

Mr. Beattie says:
"I was weak and miserable. I was subject to heart palpitation and dizziness.

"As I grew worse I began to have trembling and sinking sensations. Ferruzone strengthened my heart, gave vigor to my nerves, soon made me well, it's a great builder."

By strengthening the muscles of the heart, giving proper circulation and causing a general rebuilding of the whole system, Ferruzone is bound to do grand work in heart trouble; try it, 50c. per box, or six for \$2.50, at all dealers.

PLYMPTON COUNCIL.

Plympton Council met Oct. 25th at 2 p. m. Members all present. Minutes of last meeting read and approved.

The report of C. A. Jones, O. L. S., upon the petition of Isaac Pickering and Sidney Manning for the draining of lot 27 and the west half lot 29, in the 13th concession, was read and considered, a number of the parties interested being present and as the drain Mr. Jones had laid out was satisfactory, the report was accepted, the by-law provisionally adopted and ordered printed.

Mr. McKinley, coun., of that ward to serve a copy on each party assessed therefor.

Root Simpson was granted \$4.80 bonus on 60 rods of wire fence.
Council adjourned to meet Saturday, Nov. 17th, at 10 a. m., as a Court of Revision on the Canton drain assessment, on the Coulter drain at 2 p. m., on the Manning drain at 3 p. m., and general business.

Rheumatism Almost Killed Her.

For years Mrs. S. Stahschmidt Hamberstone, Ont., was a martyr to rheumatism. "I was so stiff and lame I could scarcely walk" she writes. "An attack striking my limbs made walking impossible. Friends and doctors gave prescriptions but I only got relief from Ferruzone. I took twelve boxes and gained from the first. To-day I am well, feel stronger, weigh heavier and look the picture of health. Whether muscular or inflammatory, chronic or otherwise, Ferruzone does cure rheumatism and sciatica, 50c per box at all dealers.

Lake of Quicksilver.

A lake of quicksilver covering an area of more than three acres and having a depth ranging from 10 to 50 feet, has been discovered in the mountains of the state of Vera Cruz. The value of the product is estimated at millions. This lake has been known to the Indians for many generations. It is situated far up in the mountains, in an almost inaccessible position. Its surface is partly covered by stones. It is believed that volcanic action in the mountains above smelted the quicksilver out of the cinabar ore and that it ran down and filled this depression. A tunnel will be driven through the base of the mountains, and the quicksilver will be brought down by means of gravity.

Earth Growing Warmer.

That the earth is growing temporarily warmer is shown by the mountain glaciers. These are made by varying temperature and moisture, to increase and diminish in size during periods of years that may be found to be more or less regular cycles, and a period of quite general decrease began about forty-five years ago.

Forgeries in Sevres.

Forgeries in Sevres porcelain to the amount of \$3,000,000 a year are made in Paris, Berlin and other lesser cities, says an article in the London Athenaeum. While these forgeries can be most of them detected by an expert, they will deceive any usual buyer. In the case of modern articles like Delft and Sevres, where the process is all known, it is idle to imagine that even experts can always tell a forgery. Every large collection of ceramics is certain to have its forgeries.

When Illness Comes.

Have you near at hand a remedy to alleviate pain and help till the doctor comes? A wise thing is to have right in your home a bottle of "Nerviline" which gives instant relief, and prevents disease from spreading. Nothing known for the stomach and bowels that compares with Nerviline. For cramps, indigestion, heartburn and headache, it is indispensable. For fifty years Polson's Nerviline in 25c bottles has been a family stand-by. Get it to-day.

Pulled Mr. Elephant's Tooth.

The greatest dental operation on record was performed upon an elephant in the city of Mexico. The aching tooth was twelve inches long and fourteen inches in diameter at the root. After Mr. Elephant had been securely fastened with chains his mouth was pried open and a quantity of cocaine applied to soothe the pain. When this was done, a hole was bored through the tooth and an iron bar inserted. Then a rope was twisted around the bar and four horses attached.

Farmers Cry for Help.

Toronto Nov. 2.—In spite of the number of immigrants coming into Canada, the immigration officers are being overrun every day with farmers looking for help. One came in from East York, looking for a man and wife, and the immigrants offered are above the ordinary. He promises a free house, potatoes, a quart of milk a day and all the apples for the mere picking, and an additional \$8 a week.

Going to Church, Killed by Train

Windsor, Nov. 1.—A fast westbound Wabash train struck and killed Mrs. Louis Leveille, 60 years old, near Walkerville early this morning. The body was smashed almost to a pulp and was unrecognizable. She was on her way to church, and to save probably half a minute's time she attempted to run across the track. The body was hurled with terrific force against a telegraph pole.

Golden Wedding.

On Oct. 15th a very happy occasion was the golden wedding of Mr. and Mrs. Harry Lucas, London Road. About fifty guests were present including the family of six daughters and one son; also sixteen grandchildren. The esteem in which the host and hostess are held was evidenced by the beautiful gifts presented, including a diamond some pure gold from the family. At half past four o'clock dinner was served and all eat down to a dainty and toothsome repast. The evening was spent in social games and dancing, the company separating at a late hour, wishing Mr. and Mrs. Lucas many happy returns.

LEVER BROTHERS LIMITED, TORONTO

IMPROVED machinery will not, of itself, produce good flour.

You may be an excellent cook, but you cannot produce light, wholesome baking unless the flour you use be the kind that permits such results.

So in the milling; machinery alone cannot produce

Royal Household Flour

out of the wrong kind of wheat any more than you can make the right kind of bread or pastry out of the wrong kind of flour.

Ogilvie's Royal Household Flour is made from hard spring wheat—a wheat that is rich in nutriment, that grinds fine and white, and produces bread and pastry that are wholesome and nourishing as well as light and crisp—it's a flour that begins to be good in the wheat fields, not in the mills.

Your grocer prefers to sell you Ogilvie's Royal Household Flour because he knows the value of a pleased customer.
