had been announced, the first Passenger Cars of the accustomed signal, and to consele their were placed upon the Pacific Railroad, and it must be chronicled as the first event of the kind occurring on the west bank of the Misuppi. It was a new epech in the history our State, and one which will be long recollected by, and treasured up in the memocome. A will be something to say, in after years, "that I saw the first rail road train depart from St. Louis;" and to add to that the equally important fact, "that it was the first

cholera was raging to a great extent in Polk country, Texas; nearly 60 slaves on the plan lation of the widow of Dixon H. Lewis had died from it.
