I SUFFERED FIVE YEARS

Finally Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Paris, Ont. - For five years I suffered from pain caused by displacement of my organs, and in my back. All of this time I was unfit for work and was taking different medicines that I thought were good. I saw the advertisement in the newspapers of Lydia E. Pinkham's Vegetable Compound and took it faithfully. I am now in perfect health and do all my own work. I recommend it to others, and give you permission to publish this letter in your little books and in the newspapers as a testimonial. -Mrs. D. Cassady, Box 461, Paris, Ont.

Why women will continue to suffer so long is more than we can understand, when they can find health in Lydia E. Pinkham's Vegetable Compound. For forty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, irregularities, etc. If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

SAYS HIS FAITH CAN'T BE SHAKEN

Halifax Man Believes Tanlac Will Rout Any Case Of Rheumatism

"Only those who have been racked with pain by rheumatism as I feel can fully appreciate the way I feel about Tanlac, the medicine that relieved me of all my pain and suffering, and made me a well man," said John T. Davis, who lives at 1 1/2 North Clifton St., Halifax, Nova Scotia.

"I was in a mighty bad way before I started on Tanlac," said Mr. Davis. "For three years I had suffered with rheumatism, and it seemed to be all over my body. But it troubled me most in the shoulders, they would get so sore and stiff at times, that I couldn't raise my hands above my head, and when I moved my arms it was just as though someone was sticking a knife into them. I also had a dull, throbbing pain just like toothache in my arms and shoulders, that would keep me awake for hours and sudden sharp pains in my legs and knees which would get so stiff that I could barely walk. I had little or no appetite, fell off in weight and got so weak and run down it was just about all I could do to stay on the job and I tell you that some days I felt like His was a worth living."

"But now after taking seven bottles of Tanlac I am a well man and happy at the wonderful relief it has given me. I've got a fine appetite and can eat anything that is placed before me. I've already gained twelve pounds in weight and just feel full of energy and go all the time. But best of all the rheumatism has left me entirely. My shoulders and legs are as supple as ever and I haven't had an ache or a pain of any sort in my body. Nothing will ever shake my faith in Tanlac after this for I've proved it myself, and have every confidence in recommending it to others."

Tanlac is sold in Bridgetown by S. N. Weare, in Middleton by Clifford A Mumford and in Bear River by L. V. Harris
