WE KNOW RESISTOL WILL HELP YOU

To Regain Your Strength and Energy

Report of the Hotel Physician in a Leading New York Hospital on the Cure of Brain Fatigue and Nervous Exhaustion

"A few years ago we considered that we were doing well if we cured 10 per cent of the cases of Brain Fatigue and Nervous Prostration brought to us, but since the introduction of Resistol into our hospital we cure more than 90 per cent of all the cases in its various forms brought to us. It builds new tissues, gives new energy, new life, new blood and strength to any part of the body attacked by these diseases."

Resistol is a powerful tonic nourishing food medicine composed of valuable tonic stimulants obtained from vegetable drugs. Resistol contains no narcotics or other dangerous drugs which merely deaden pain temporarily but give no permanent relief or cure the cause of disease. Resistol is a powerful body builder and blood maker; it is the best remedy known to the medical profession to enrich thin, watery blood and supply new rich blood to the whole body.

It will be found a most valuable remedy in cases of over stimulation in which the excessive use of liquor causes depression, dullness of the faculties or intoxication; it counteracts the depressing effects and restores the system to its normal condition. FREE—To prove the wonderful merits of RESISTOL we will mail a large sample bottle for 25c in silver or stamps for postage, etc. Resistol Chemical Co., Boston, Mass.

THE PARSON'S SOFT JOB

"There is a prevalent idea among the criminal classes that the clergy have nothing whatever to do."

The authority for this statement is the archdeacon of London, who has three large prisons in his archdeaconry. An old woman once said to a jail chaplain: "I wish you could find a job for my old man. He is not up to much and cannot do anything, but he wants a soft job like yours!"—London Globe.

A gentleman met a child crying in the street, and said, "Now be a good boy and stop crying." "I can't," sobbed the child. "Here's a penny for you," said the gentleman. "Why can't you stop crying and be a good boy?" "I'm a girl, was the reply."

"Women must consider it a dreadful fate to be old maids," mused Mr. Chugwater. "They do, Josiah," said Chugwater. "Look what terrible notions they sometimes marry to escape it."
