VACANCY FOR A STUDENT

AT ROSEDALE APIARY OF

The Toronto Apiary & Honey Company, Ltd.

200 COLONIES

Handled on the most advanced methods based on scientific principles. Increase thoroughly under control. Section honey a specialty. Transferring, swarming, dividing, and increase by nuclei will be practised this season. Deep and shallow frame hives working side by side, on the one-story, two-story and tiering systems. Competent student will have good position this coming winter and next summer. Apply to the manager, G. B. JONES, 26 Darling Ave., Toronto.

**WEBSTER'S
 UNABRIDGED
 ANCIENT EDITION.**

A so-called "Webster's Unabridged Dictionary" is being offered to the public at a very low price. The body of the book, from A to Z, is a cheap reprint, page for page, of the edition of 1847, which was in its day, a valuable book, but in the progress of language for over FORTY YEARS, has been completely superseded. It is now reproduced, broken type, errors and all, by photo-lithograph process, is printed on cheap paper and flimsily bound. A brief comparison, page by page, between the reprint and the latest and enlarged edition, will show the great superiority of the latter. These reprints are as out of date as a last year's almanac. No honorable dealer will allow the buyer of such to suppose that he is getting the Webster which to-day is accepted as the Standard and THE BEST,—every copy of which bears our imprint as given below.

If persons who have been induced to purchase the "Ancient Edition" by any misrepresentations will advise us of the facts, we will undertake to see that the seller is punished as he deserves.
