Having Absorbent Qualities

Butterfly Ladies
A NEW LEASE OF LIFE - A CURE WITHOUT MEDICINE

All Diseases are Cured by our Medicated Electric Belt and Appliances. On the principle that Electricity is Life, our appliances are brought directly into contact with the diseased part. They act as perfect absorbents, by destroying the germs of disease and removing all impurities of the body. Diseases are successfully treated by correspondence, as our goods can be applied at home.

Read Our New List of Home References
