Thus in anguish wrote a lady teacher to a near friend, telling of pitiless headache, of smarting pain, of pain in back and loins, of dejection, weakness and nervous, feverish unrest. The friend knew both causes and cure and flashed back the answer, "Take Dr. Pierce's Favorite Prescription." The distressed teacher obeyed, was restored to perfect health, and her daily duties once more became a daily pleasure. For lady teachers, salesladies and others kept long standing, or broken down by exhausting work, the "Prescription" is a most potent restorative tonic, and a certain cure for all female weakness.
