TXTRACTS FROM THE REPORT OF

LATRE DIRECTORS OF THE

STAR LIFE ASSURANCE SOCIETY,
Presented at the Annual Meeting, head on Monday, the
Sth March, 1860.

The Directors, in again meeting their constituents, have
much pleasure in being shie to present a very favourshie
report of the proxiess of the Society for the year ending
31st December, 1850.

The Directors of the Society for the year ending
31st December, 1850.

Buring that period, 812 new Policies have been issued, for
the assurance of £504.656, yielding an annual income of
the assurance of £504.656, yielding an annual income of
the assurance of £504.656, and now the same periods
and interest according from avertments, gives an an
nual revenue of £504.656, is do, which includes £1,556.454, an
avaring expected and province-for.

The cannot £21,456 is 33, which includes £1,556.454, and
avaring expected and province-for.

The fromium or Assurance Fund has been very interely
incremed, notwith standing the division by way of founts
which has taken place, and now amounts (acrorring to the
Auditor's Report) to £40,445,64, 264. An accommission so
large as the well not fail to 1 cap to the public with great
condition to the Society.

The following figures illustrate the advance of the So
clety during the past five years, and show that the year
less objects and previous similar period.

No. of Folicies. Sums Assured An'l Fremiums
therefore.

No. of Policies. Sums Assued And Premiums therefrom.
