The late **Dr. J. H. McCollum** said of our Chloroform "that during the nearly five years that I held the position of Medical Superintendent of the *Toronto General Hospital*, the Chloroform manufactured by **The Lyman Bros. & Co., Limited**, was administered to about *one thousand* annually, and in no case had we fatality from it. *I have also used it for thirteen years* in private practice."

**Dr. T. G. Johnston**, Sarnia, says: "For the last six or seven years I have used no other Chloroform than that manufactured by **The Lyman Bros. & Co., Limited**, both in surgical and obstetrical practice, and have had, and still have, every reason to be thoroughly satisfied with it."

### *We Claim the Following Advantages:*

- 1st. Its Comparative Cheapness.*
- 2nd. The Stage of Excitement is not Nearly as Great as with Other Makes.*
- 3rd. The After-Effects are not so Pronounced.*
- 4th. No Offensive Odor During Administration.*

**Dr. C. O'Reilly**, Medical Superintendent of the *Toronto General Hospital*, says of our Ether Sulphuric: "During the last several years the Ether manufactured by **The Lyman Bros. & Co., Limited**, has been extensively used for anæsthetical purposes in *Toronto General Hospital*, and no accident has taken place from its administration."

**Dr. Jas. F. W. Ross** says: "I have overcome my former prejudice against Ether, but **The Lyman Bros. & Co., Limited**, are now supplying an article put up in  $\frac{1}{2}$  and  $\frac{1}{4}$  lb. tins equal to any in the market. I have used it frequently, and have seen it used by others during the last twelve months for operations of all degrees of severity. The after-effects are no greater than after Squibb's or any other pure Ether."

*We claim for this Absolute Purity and Comparative Cheapness. When ordering Specify LYMAN BROS.*
