EVANGELISTIC.

ALTHOUGH the meetings now being held by Mr. Soltau in our Hall, are not part of our Association work, still we feel ourselves warranted in giving space to the announcement of the same, and in noticing the success attending them. Thus far the attendance has not been *large*, still there is encouragement to continue. About 450 attend the evening meetings, and from 100 to 200 the afternoon Bible Readings. There has been a spirit of enquiry, and several have been led into the light. Mr. Soltau's lectures on the Tabernacle were very interesting, and his addresses on the Lord's Prayer (delivered at our noon meetings) were calculated to lead out and build up those who are believers in the Lord.
