SPECIALTIES.

STEARNS' WINE OF COD LIVER OIL WITH PEPTONATE OF IRON.

An entirely new and original preparation which contains 25 per cent. of pure Cod Liver Oil, as represented by its active principles and alkaloids. Modern investigation has proven that the value of Cod Liver Oil as a medicinal agent is not due simply to the fact of its being an oil, but to the valuable active principles which it contains. Each fluid ounce of the Wine contains four grains of PEPTONATE OF IRON, a readily assimilated and valuable form of iron, it being partially predigested and free from styptic properties. In pounds, \$8.00 per dozen.

STEARNS' CASCARA AROMATIC. (THE ORIGINAL)

A fluid extract of prime and selected two-year-old Bark, which is sweet in taste instead of being bitter, as is the ordinary fluid extract, powerful yet gentle in effect, and in addition does not gripe. An ideal laxative, prescribed by physicians everywhere. Price, \$1.20 per pound, not more in cost than ordinary bitter fluid extracts.

DIKE'S PEPSIN

Is superior because of its high digestive power (1-3000 U. S. Ph. 1890). Its odor is sweet and wholesome. It is soluble, and can be dispensed in prescriptions in solution. It retains its activity indefinitely. It is free from peptone and other bodies which attract moisture and make a pepsin gum up. On this account it can be combined safely with powders without special precaution.

To recapitulate:—If a reliable, odorless, sweet, beautiful, non-hygroscopic Pepsin in scales, which is reasonable in price, of full strength of the U.S. Ph., is wanted, Dike's will fill the bill, and is the only pure Pepsin that will meet all these requirements.

Price, 75 cents per ounce.

STEARNS' INSTANT HEADACHE CURE

Is the best and most satisfactory preparation of the kind on the market. Sells on sight and makes customers wherever sold. \$1.50 per dozen. Kept in stock by all leading wholesale houses.

We will be pleased to mail samples of our Specialties to any druggist or physician, on request.
