The Best Company Best Risks

Is the one that is most rigid in its selection and classification of risks; the most careful in the selection of its investments and the most economical and progressive in its management.

If you think of insuring study the record of

The Temperance & General Life Assurance Co'y,

from it you will learn of its unparalleled record with regard to

mortality and prompt returns from investments.

If you are in every respect a first class risk, write for literature or consult an agent of the Company.
