Testimony from high Authority.

From the Editor of the N. Y. Mirror, August 9th, 1848. PERFECT CURE AND NO MISTAKE.—We are about to write a voluntary statement of a cure recently effected by Dr. Wistar's Balsam of Wild Cherry, which the Editor of this paper is willing to give under his own signature. We make it pro bono publico, as we have never seen the proprietor of this invaluable medicine, and know nothing at all about him. About four weeks since, one of the compositors in this office was suffering so badly from a cough that he was unable to sleep at night, and to weak to stand at his case. He became very pale and thin, and gave symptoms of falling a victim to quick consumption. We recommended to him various medicines which had no effect. Finally we gave him one bottle of WISTAR'S BALSAM OF WILD CHERRY; it afforded him immediate relief, and he is now a well man gaining in flesh, with a ruddy complexion, and not the slightest symptom of a cough. These are facts, and further particulars may be learned by profuse spitting of blood. Originally prepared by Williams & Co., Philadelphia, now prepared and sold, wholesale and retail, only by Seth W. Fowler, Boston, Mass., to whom all orders should be addressed, and for sale by his agents everywhere. The genuine is signed I. BUTTS. For Sale by LYMAN & BROTHERS Druggists, King Street Agents for Toronto.
