Iron in the Blood

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

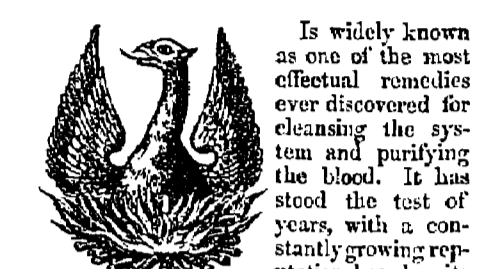

See that each bottle has PERUVIAN SYRUP blown in the glass. Pamphlets Free.

Ayer's Sarsaparilla

Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blisters, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose, or Erysipelas, Itch, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

UNIVERSAL EXHIBITION OF 1868
FIRST-CLASS MEDAL
ALF. LABARRAQUE AND Co
QUINUM LABARRAQUE
Approved by the Imperial Academy of Medicine

The Quinum Labarraque is an eminently tonic and febrifuge Wine, destined to replace all the other preparations of Peruvian Bark.

The Bark Wines usually employed in medicine are prepared from Barks which vary considerably in the degree to which they possess the desired properties. Besides, owing to the manner in which they are prepared, these Wines contain scarcely more than the traces of active principles, and these always in variable proportions.

The Quinum Labarraque, approved by the Academy of Medicine, constitutes, on the contrary, a medicine of determined composition, rich in active principles, and on which Physicians and Patients can always rely.

The Quinum Labarraque is prescribed with great success for persons of weak constitution, or for those debilitated by various exhausting causes or past sickness; for youths fatigued by too rapid growth; for young girls whose development takes place with difficulty; for women in childbirth; and for aged persons enfeebled by years or illness. It is the best preservative against Fevers.

In cases of Chlorosis, Anemia, or Greenishness, this Wine is a powerful auxiliary of the ferruginous preparations. In conjunction, for example, with VALLET'S PILLS, the rapidity of its action is really marvellous.

DE LA SALLE INSTITUTE,
Nos. 18, 20 & 22 Duke Street,
TORONTO, ONT.

DIRECTED BY THE CHRISTIAN BROTHERS.

This thoroughly Commercial Establishment is under the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City.

Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.

The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank—now adapted to educational purposes—the ample and well-ventilated play grounds and the ever-renewing breezes from great Ontario all concur in making "De La Salle Institute" whatever its directors could claim for it, or any of its patrons desire.

The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country.

With greater facilities than heretofore, the Christian Brothers will now be better able to promote the physical, moral and intellectual development of the students committed to their care.

The system of government is mild and paternal, yet firm in enforcing the observance of established discipline.

No student will be retained whose manners and morals are not satisfactory; students of all denominations are admitted.

The Academic Year commences on the first Monday in September, and ends in the beginning of July.
