The surgeons reports show that our armies have suffered greatly from chills and fever which is induced by the miasma and change of climate to which they are exposed. They also find Ayer's Ague Cure is an effectual remedy for this distemper, and are urging the government to adopt it with the regulations. The Surgeon-General hesitates, because it is put up in a proprietary form. However great that convenience to the public, he prefers the physicians of the army should give their own directions for the know as well as we do, that Dr. Ayer's 'Cure' is an almost perfect antidote for the Ague, and that the soldiers should have the benefit of it, as well as the people. - [Washington (D.C.) Correspondent.

HABITUAL CONSTIPATION. WORDS OF COMFORT. - Dr. Cyrus W. Nelson, of Boston, Mass., author of 'Clinical Observations on the Treatment of Abdominal Diseases,' says, in a letter dated February 27, 1861: 'I consider Bristol's Sugar-coated Pills the best remedy for Chronic Constipation at present known. With me they have never failed, and I have prescribed them in at least fifty instances. He also states: 'That for all irregularities of the digestive functions, the liver, and the bowels, they are by far the most useful medicine he has ever prescribed - perfectly safe, and eminently reliable.' Similar testimony is volunteered by Dr. Humphrey Lettison, of Chicago, Ill., who enumerates, thirty cases, with names and dates, in which he has administered the Pills. Wherever they have been used as a remedy for liver and bowel complaints, the result has been equally satisfactory. They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills.

MURRAY & LANMAN'S FLORIDA WATER. - Ladies who are in the habit of using pearl powder, which clogs the pores, and prevents evaporation from the surface, would do well to throw it aside, and substitute this pure floral cosmetic, which not only perfumes the skin with a fragrance as fresh as the breath of opening flowers, but removes the blemishes which impair the beauty of the complexion and gives a healthy tone to the superficial vessels. The astringent washes, lotions, &c., of the day, wither and blight the skin, but this beautiful aromatic water has an opposite tendency. When diluted with water it is an exquisite tooth wash. See that the names of 'Murray & Lanman' are upon every wrapper, label, and bottle; without this none is genuine.

Cheap Catholic Periodical for General Reading. "THE LAMP,"

New and Improved Series, in Weekly Numbers, or in Monthly parts, price \$3 per Annum. The Lamp in 1865.

It is little more than two years ago since the New Series of the Lamp commenced. The great increase in its circulation has been the most convincing proof that satisfaction has been given by the improvements effected in the periodical. It has been the happiness of the Conductor of this Magazine to receive the benediction of the Holy Father on the undertaking. A distinguished Prelate wrote from Rome as follows to the Proprietor of the Lamp: 'I have presented the Lamp to the Holy Father. He was much pleased, and directed me to send you his blessing, that you and all your works may prosper.' We have also had the assurance of the satisfaction of His Eminence the late Cardinal Wiseman, in whose archdiocese the Lamp is published, and whose kind assistance to the undertaking has been evinced several times by the contributions from his pen which are to be found in our columns. We are authorized to say that 'His Eminence has been much pleased with the progress of the Lamp, and the position it has taken.'

Encouraged, therefore, by the blessing of the Vicar of Christ, which is never unfruitful, and the approval of His Eminence, the Conductor of the Lamp looks confidently for increased support from the Catholic public. Much has been done to improve the Lamp; much remains to be done; and it rests chiefly with Catholics themselves to effect the improvement. Our adversaries, and even we ourselves, often point to the well-known Protestant publications, and ask why Catholics cannot have something as good in point of material, ability, illustrations, &c. Nothing is more easy. If every Catholic who feels this, and who desires to see a Catholic Magazine equal to a Protestant one, will take in the former for a year, there is at least a good chance of his wishes being realized. If every priest would speak of the undertaking in his parish once a year, and encourage his people to buy the Lamp instead of the various cheap publications too rapidly making their way among our youth, and our poor, publications which can hardly be called Protestant, because they have no religion, and often openly teach immorality, the success of the Catholic Magazine would be assured. It is their immense circulation, and the support they obtain from their respective political or religious parties, which enables these journals to hold their ground; and unless Catholics will give their hearty and cordial support to their own periodical in a similar manner, it is impossible for them to attain superiority. The New York Tribune says, 'the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced, &c. The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size. At least twenty imitations and counterfeiters have sprung up. They impose upon the people once and that's the last of them. The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things. "I owe much to you, for I verily believe the Plantation Bitters have saved my life. REV. W. H. WAGGONER, Madrid, N. Y."

"... Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use. Thy friend, ASA CURRIN, Philadelphia, Pa."

"... I have been a great sufferer from Dyspepsia and had to abandon preaching. The Plantation Bitters have cured me. REV. J. S. CATHORN, Rochester, N. Y."

"... Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house. SYKES, CHADWICK & Co., Proprietors Willard's Hotel, Washington, D. C."

"... I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect. G. W. D. ANDREWS, Superintendent Soldiers' Home, Cincinnati, O."

"... The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business. E. B. KINGSLEY, Cleveland, O."

"... The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm. C. C. MOORE, 254 Broadway."

New Bedford, Mass., Nov. 24, 1863. Dear Sir: - I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner. Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters. - Respectfully, JUDITH RUSSELL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th Street, N. Y., says, 'he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself, and both are hearty, saucy and well. The article is invaluable to mothers, &c. Such evidence might be continued for a volume. The best evidence is to try them. They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters. Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck. Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an impostor. We sell it only in bottles. Sold by principal dealers throughout the habitable globe. P. H. DRAKE & CO., New York. John F. Henry & Co., 303 St. Paul Street (new No. 115) Montreal, Wholesale Agents for Canada. March 1, 1865.
