THE BATTLE FOR LIFE!

Which is continually going on between health and disease, has never received from any medicine such marked and unmistakable assistance, on the side of health, as it has from

BRISTOL'S SARSAPARILLA.

This powerful vegetable detergent has been fully tested in nearly every part of the civilized world. It has been tried in long standing cases of

SCROFULA,

and has invariably been successful in curing them. It has been again and again tested in Fever and Ague, Intermittent and Remittent Fevers, and always with the same excellent results. In

RHEUMATISM AND GOUT

it is infallible, curing cases that had resisted all other treatment for nearly a life time, allaying every phase of inflammation, and leaving the joints in a natural condition. In

OLD SORES

it is a sovereign remedy—causing new circulation of the blood around the edges of the sore, and speedily filling up and drawing together the flesh, which in old sores is generally inert and lifeless. In

BORE EYES AND RUNNING EARS

the effect is truly wonderful. The scrofulous and depraved blood and humors on which such sores feed and live, are neutralized at the stomach, the fountain head, and new and healthy blood soon washes away every vestige of disease. In

ULCERS AND TUMORS

the effect is equally gratifying, though, of course, it is necessary to persevere for some months in diseases such as those having their origin in bad blood and humors; and in such diseases as

CANCER,

the Sarsaparilla should be continued for at least four or five months after the trouble has to all appearance been overcome, because unless this is done, and the nature of the blood and humors be entirely changed throughout the whole body, the disease is liable to return with unabated force. In

BOILS AND CARBUNCLES

Sarsaparilla should be taken five or six times a day, but not in very large doses—say two or three table-spoonfuls at a time. And in all of these diseases we strongly urge the use of Bristol's Sugar-Coated Pills in conjunction with the Sarsaparilla, taking two or three pills every second night on retiring to rest. In this way, cures will be more speedily effected

HALL'S Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. It restores GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DRESSING. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation. It is recommended and used by the First Medical Authority. The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original; it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.

A TOILET NECESSITY.

THE surpassing aromatic excellence of Murray & Lanman's Florida Water has caused its qualities as a cosmetic to be partially overlooked. It is not only the most refreshing and delightful of perfumes, but, as a superficial application for the removal of blemishes on the skin, it is unsurpassed. In all cases of annoying eruptions, freckles, tan, and sunburn, caused by exposure to the sun or air, this soothing, softening toilet-water will be found exceedingly useful, imparting to the complexion

CLEARNESS AND SOFTNESS, and entirely removing that sallow, greasy appearance of the skin, so disagreeable to refine and elegant taste. Except for the removal of pimples, the Florida Water should always be diluted before using. For the extirpation of pimples, the application should be made full strength, seven or eight times a day, taking care to touch the pimples only and not the surrounding skin. These directions carefully followed, will in a short time remove every disagreeable blemish. The hygienic properties of MURRAY & LANMAN'S FLORIDA WATER

are a marked and distinctive feature of this fragrant Perfume. Its wonderful power in relieving all forms of nervous headache, fainting turns, ordinary hysteria, and its healthful disinfectant properties in the sick-room, mark it as peculiarly adapted to all the requirements of the boudoir, the dressing room, and for general family purposes. As a perfume, it is scarcely necessary for us to speak of its many virtues. Thirty years of public trial have established the fact that for its freshness, its purity, its delicacy, and its unchangeableness, it remains WITHOUT AN EQUAL.

No other toilet-water nor perfume resembles it, or can supply its place; and no one who once uses it can be induced to forego the continuation of the pleasure. Hence the amazing rapidity with which its sales increase, even in the face of myriads of imitations and counterfeits, that unprincipled and dishonorable men in France and Germany flood the market with. The difference between them and the genuine Murray & Lanman's Florida Water, is simply the difference between great excellence and utter worthlessness. And the public are earnestly urged, when purchasing, always to ask for the Florida Water prepared by Lanman & Keap, New York, who are the sole proprietors of the genuine article, and who will be glad to be advised of names of all dealers who try to impose upon their customers the false and fraudulent counterfeits. For sale by all respectable Druggists, Perfumers, and Fancy Goods dealers. Jan. 22, 1869.
