OTHER LOCATIONS IN USA	---	182 + 0 (oper. Asst.)	---	---

\*Occasionally, after dialing the appropriate access code, a ringing code will be heard instead of dial tone. This indicates that your call will be completed by an operator. When she answers, simply give her the telephone number you require, your name, department and telephone number. The operator will then connect you. This call sampling procedure is required for efficient operation of the government inter-city network.
