

3. In the event of any country listed in Annex I to Article 11 (a) not signing or (b) not formally accepting or (c) withdrawing from or (d) being declared in default of this Agreement, the guaranteed purchases of such country shall be redistributed by the Council to those importing countries which desire to guarantee additional purchases. The redistribution to such countries shall be pro rata to their existing guaranteed purchases, unless the Council should otherwise decide by a simple majority of the exporting and importing countries voting separately. Should the additional purchases which contracting importing countries desire to guarantee be less than the guaranteed purchases of the countries referred to in (a), (b), (c), and (d) above, the Council shall reduce pro rata the figures in Annex II to Article II by the amount necessary to make the total of them equal to the total of the figures in Annex I to Article II.

4. The Council may at any meeting approve an increase in any figure or figures in either Annex if an equal increase is simultaneously made in a figure or figures for the same crop-year or crop-years in the other Annex, provided that the representatives of the exporting and importing countries whose figures may thereby be changed concur.
