

- (b) a safeguards system that conforms to the principles and procedures of the safeguards system set out in the IAEA document INFCIRC/66 Rev 2, as well as any subsequent amendments thereto which are accepted by the Parties, and provides for the application of safeguards to all items subject to this Agreement.

ARTICLE VIII

1. Nuclear material shall remain subject to this Agreement until:
 - (a) it is determined that it is either no longer usable or practicably recoverable for processing into a form usable for any nuclear activity relevant from the point of view of the safeguards referred to in Article VII of this Agreement. Both Parties shall accept a determination made by the IAEA in accordance with the provisions for the termination of safeguards of the relevant safeguards agreement to which the IAEA is a party;
 - (b) it has been transferred to a third party in accordance with the provisions of Article V of this Agreement; or
 - (c) otherwise agreed between the Parties.
2. Material and equipment shall remain subject to this Agreement until:
 - (a) transferred to a third party in accordance with the provisions of Article V of this Agreement; or
 - (b) otherwise agreed between the Parties.
3. Technology shall remain subject to this Agreement until otherwise agreed between the Parties.

ARTICLE IX

1. The Parties shall apply, within their respective jurisdictions, all necessary measures to ensure the physical protection of nuclear material, material, equipment and technology subject to this Agreement, including as a minimum the levels of physical protection of nuclear material as recommended in the IAEA Information Circular INFCIRC/225/Rev.4, as amended from time to time and as accepted by both Parties.
