

sponsoring one national and four regional conferences which will be oriented to problem solving. Extra monies have been made available to fund a wide variety of projects and programmes.

We believe that if we are to reach our proper potential as a nation we must be able to give our citizens not only the choice to be what they want to be but the opportunity as well.

We also believe that 1975 should be looked upon only as a beginning for all of us. It is the year to look at what we have done or haven't done; to assess where we are now; where we should be going. It might be described as the launch-pad year. It might be Vista '75 - where we set national and international goals - both short and long range - to give women and men not only equal rights of choice but also equal opportunity for the attainment of such choices.
