The House resumed debate on the motion of Mr. Benson, seconded by Mr. Laing (Vancouver South),—That this House approves in general the budgetary policy of the Government.

And on the motion of Mr. Lambert (Edmonton West), seconded by Mr. MacLean, in amendment thereto,—That all the words after “House” be deleted and there be added the following:

“regrets that the budgetary proposals of the Government fail to provide any tax relief for persons of low income, fail to recommend any increase in the Guaranteed Income Supplement to Old Age Security Pension, and those which impose consumer credit controls will not only fail to curb inflation but will contribute materially to increasing unemployment.”

And debate continuing;

A Message was received from the Senate informing this House that the Senate had passed Bill C-138, An Act to amend the Cape Breton Development Corporation Act, without any amendment.
