Mr. Thomson: I do not know, by the way, my friend, whether you are talking about the legal administration of the Territories of your territory.

Mr. Nielsen: I just want to know which route to go so I can advise my constituent native organizations of this program.

Mr. Thomson: The administration of justice, as I understand it, at the local level is administered by the territorial government. It is their prerogative that we have to be assured of.

Mr. Nielsen: That means his Minister's colleague, the Minister of Northern Affairs, then.

M. Thorsen: Par conséquent, vous allez à la Justice de l'Administration légale ou du commissaire de votre territoire?

M. Nielsen: Je veux simplement savoir quel chemin suivre afin d'informer de ce programme les organisations indiennes de ma circonscription.

M. Thomson: L'administration de la justice au niveau local relève du gouvernement territorial. Il nous faut donc obtenir la coopération de ce gouvernement.

M. Nielsen: C'est-à-dire son collègue du ministre, soit le ministre des Affaires indiennes.
