**BUSINESS OF SUPPLY****ALLOTED DAY, S.O. 81—SOCIAL PROGRAMS—CLAW-BACKS**

The House resumed from Friday, May 5, consideration of the motion of Mr. Dingwall:

That, in the opinion of this House, the claw-backs proposed by the Minister of Finance with regard to the Old Age Security pensions and Family Allowances (1) undermine all Canadian social programs; (2) make easier future incursions against Old Age Security pensions and Family Allowances as well as other social programs, including medicare; (3) will fall most severely on Canadians of moderate means while costing the wealthy little; and

That this House, therefore, condemn the Government for this attempt to violate this sacred trust.

**Mr. Deputy Speaker:** It being 6 o'clock, pursuant to Standing Order 45(6), the House shall now proceed with the deferred recorded division on the motion of Mr. Dingwall, seconded by Mr. Wappel, concerning the business of supply.

Call in the Members.
