

May 7th, 1930.

Dear Sir,

I am taking the liberty of sending to you a short appreciation of Some Aspects of Protestant Education in this Province. It was written by Professor Clarke, Chairman of the Department of Education at McGill, where a Committee is giving some thought and study to the questions raised in Clarke's memorandum.

Ever yours faithfully,

A handwritten signature in cursive script, appearing to read "A. H. Lewis".

Principal.
