

"K" STONE SEPTIC TANKS

READY MADE

A Waterproof Concrete Tank made from our special concrete mixture. No metal parts, and strength increases with age.

Our standard septic tank weighs only 1500 lbs. and can be rolled about by four men. Sufficient for family of eight.

All homes having no sewerage should have one of these tanks.

PRICE **\$75.00** AT FACTORY

Larger sizes for schools, factories, etc. made to order.
