FOUR HUNDRED SHOT

In Annual Regimental Competition—Private Weir Won the Ross Rifle.

Four hundred members of the Queen's Own Rifles turned out on Saturday for the annual rifle range for the annual regimental competition. The weather was favorable for shooting and scores were high. The average for the first thirty men was 92, and this may be considered a good showing when it is taken into consideration that the range is one of the most difficult in the city.

General Match. 17.50—S. J. Matthews, Staff. 11—Col. Sergt. H. Rooke, B. Co., 2nd. 12—Pte. F. F. Philip, D. Co., 1st. 13—S. J. Matthews, Staff. 14—S. J. Matthews, Staff. 15—S. J. Matthews, Staff.

ROCKWOOD FAIR A MONEY MAKER

Display of Fat Cattle Was Best Seen in Many Years.

GUELPH, Oct. 5.—(Special).—The annual fair at Rockwood today attracted a crowd such as has not been seen on the grounds in many years. There were about 2000 people present, the weather prevailed and every department of the show was at its very best. The display of fat cattle was the best seen in this part of the county for several years, while the competition in the other departments was exceptionally keen. Fine arts, domestic work and roots and vegetables were fully up to the standard, while the poultry show would have been a big success if the weather had not been so hot. Music was provided during the day by the Guelph Musical Society Band, and the fair wound up with a big concert in the town hall at night. The fair was a big financial success.

WANT WIRES UNDERGROUND.

BERLIN, Oct. 5.—(Special).—The Dominion Railway Commission will hold a sitting here on Monday next to hear the city's application to have its telegraph and telephone companies place their wires underground.

BERLIN'S POPULATION.

BERLIN, Oct. 5.—(Special).—Assessment Commissioner Hiesinger made a study today of the population returns for 1913, which are gratifying indeed, in that they show an increase of 1400, making a total of 18,315, or an increase of 16.50 in 20 years.
