

THE NOVELS OF
Warwick Deeping

THE HOUSE OF SPIES

With Colour Frontispiece by A. C. MICHAEL. Cloth gilt, 6/-

Mr. Deeping's latest story has the Sussex Downlands for a setting, and tells of the days when Bonaparte was threatening to invade our shores with his legions. It is a romance that throbs with interest, narrated with that *flair* of literary style and diction so characteristic of the author.

SINCERITY

With Frontispiece in Colour by A. C. MICHAEL. Cloth gilt, 6/-
