

clean for the comforts of his men and properly attended by his Doctor in cases of sickness.

DUTIES OF THE SECOND HAND

1. What are your duties as Second Hand? To see that all instructions given by the Master are carried out by you.
2. To see that your Masters of Watch are provided with compasses and other necessities as are usually taken on ice.
3. To instruct your Masters of Watch to see that everything possible is done while on ice, in case of bad weather, for the safety of his men, and also for the good of the said voyage.
1. To get report from Barrel Men of ice conditions and any other difficulties arising, and immediately report to the Captain.
