Circus Man Buried. The funeral took place at Mount Pleasant Cemetery yesterday afternoon of the late Mr. C. H. Thompson, for many years manager of Downs circus, who died at his residence, 622 Church-street, on Monday. The funeral service was conducted by Rev. Canon Williams, and a short service at the residence and at the graveside was held by the Rameses Temple Lodge of Masons, to which deceased belonged.

Trout at Oro Park. Barrie Gazette, May, 1912. Fishing this year on Lake Simcoe is unusually good, particularly in the neighborhood of Oro Park. Last week a couple of Barrie men, while trolling before breakfast, landed two beautiful trout, which together weighed 14 pounds 8 ounces. The fish appear to have chosen the northern banks this year, and are nowhere more plentiful than near Oro Park.

Your Vitality Can Be Restored

Strong, vital, manly men fascinate all who come within their influence. As true as you are a living, breathing human being, I can restore VITAL STRENGTH, there is not a doubt as to what I can do for you. BUT there is a simple condition, one restriction I put, a certain, solemn promise I exact from you before you can exact a promise from me; namely, you must unconditionally agree now at once and forever to discontinue any debilitating excess or dissipation that you may be indulging in with this way of life. I will do all the rest. Remember what I say: no matter what your present condition, no matter what has happened in the past, just forget it and put yourself in my hands; everything will come out as you wish it. I use no drugs, no poisons, no medicines; I place no foolish restrictions upon you; just lead a natural life, get all the enjoyment you possibly can, but cease dissipation; always remember that I can then restore your vital energy; I can take you out of the half-man class and put you in the spotlight of full, healthy, contented manly courage; I can make you feel young again and keep you feeling young to a ripe old age, because I drive into your system the one thing which keeps the whole organism in balance, namely, VITALITY. MY HEALTH BELT is the greatest single self-instrument remedy or VITALITY RESTORATIVE that the world has ever known, or probably ever will know. It is worn comfortably about the waist all night and every night 156 to two or three months. Thus, while you are sleeping, it sends a great and potent, life-giving current of VITAL FORCE into your blood and nerves. There is not a moment's rest; it restores your vitality; it takes the pain out of your back; it makes you feel strong; it restores your blood and nerves. There is not a moment's rest; it restores your vitality; it takes the pain out of your back; it makes you feel strong; it restores your blood and nerves. There is not a moment's rest; it restores your vitality; it takes the pain out of your back; it makes you feel strong; it restores your blood and nerves.
