GARDEN PARTY AT BISLEY.

Lord Strathcona Refers to Borden
Cup and Its Significance.

Bisley Camp, July 19.—(Telegram cable.)
The annual garden party given by the
Canadian team yesterday was marked by
beautiful weather and the athletes and
their guests spent a thoroughly enjoyable
afternoon, and many acquaintances formed
in past years were renewed by the Cana-
dians. The attendance was fair and among
those present were several Toronto peo-
ple. Some extremely handsome gowns
were worn by the ladies, many of whom
were distinguished members of English
society. The decorations were not up to
former years, but the refreshments served
to the guests were excellent.

Lord Strathcona and Mount Royal, the
Canadian High Commissioner, in presen-
ing his own cup and the Canada Club Cup
to Col. Tilton, the commander of the
Canadian team, remarked that Canada's
loyalty as displayed during the war of the
Mother Country in South Africa
had overcome any desire that might have
existed for independence or annexation
to the United States. This sentiment was
loudly cheered by the Canadians. Col.
Tilton acknowledged the gift of the two
trophies in a brief but fitting speech.

In his speech Lord Strathcona referred
to the Borden Cup and said that it was
nificantly significant of a father's tribute
in memory of a loving son, when he read the
inscription on the cup. The Borden Cup is
to be competed for at the Dominion Rifle
Association meeting at Ottawa. It was
purchased in London by Hon. Dr. Borden,
Minister of Militia, and is dedicated to
the memory of his son, Lieut. H. L.
Borden, who lost his life while fighting
the Empire's battles in South Africa.

Lord Strathcona's cup is given for the
highest aggregate score made by a member
of the Canadian team, and the other from
the Canadian Club for the second high-
est.

CANADIANS' COLONIAL CUP

Rajah of Kolapore's Imperial Chal-
lenge Receptacle Goes to the
Mother Country at Bisley.

WITH OUR TEAM IN SECOND PLACE

Four Are in the Final Stage of the
King's Prize Match to Be
Shot Off To-Day.

Bisley Camp, July 19.—This afternoon
the shooting for the Rajah of Kolapore's Im-
perial Challenge Cup took place, teams of
eight men each from the Mother Country,
Canada, Guernsey and Jersey participating.
There were seven shots at each range, and
the scores of the Canadian team were as
follows:

200 500 600
yds. yds. yds.

Bodeley, Sgt. O. W., 5th B.C. 38 32 33

A. Victoria, B.C. 38 32 33

Crowe, Staff-Sgt. G. R., 1st B.A. 32 20 20

Guelph, Gr. A., 5th B.C. 32 20 20

Pleming, Gr. A., 5th B.C. 32 20 20

Victoria, B.C. 32 20 20

Gilchrist, Lt. J. W., 1st B.A. 31 32 30

Guelph, Gr. A., 5th B.C. 31 32 30

Graham, Pte. W. T., 7th Regt. 32 35 29

Dundas 32 35 29

McDonough, Sgt. Major, 5th B.C. 29 32 29

A. British Columbia 29 32 29

Richardson, Col. Sgt., 5th B. 29 32 29

C.A. Victoria, B.C. 31 32 28

Swaine, Sgt. W., 14th Regt. 31 32 28

Kingston 31 32 28

Total 205 253 223

The score by teams was as follows:

205 yds. yds. yds.

Mother Country 205 253 223

Canada 253 253 223

Pleming 244 240 221

Guernsey 256 231 217

Canada's score was disappointing to the
Canadians, and again the Mother Country
holds the prize with a good lead.

The Colonial prize, however, in connection
with the Kolapore Cup went to the
Canadians at the score of 735.

King's Prize.

That all-important match, the King's
prize, occupied the attention of riflemen
and visitors this morning, and the Cana-
dians, of course, kept a watchful eye on
their men who had reached the second
stage, for this was the day that would de-
cide these eligible to enter the third and
final stage to-morrow. The ranges were
600 yards and 800 yards, with ten shots
at each distance.

The record of the Canadians at the two
ranges was as follows:

600 yds. yds. yds.

Bodeley, Sgt. O. W., 5th B.C. 38 44 53

Victoria, B.C. 38 44 53

Crowe, Staff-Sgt. G. R., 1st B.A. 42 40 82

Guelph, Gr. A., 5th B.C. 41 47 88

Pleming, Gr. A., 5th B.C. 38 36 74

Gilchrist, Lt. J. W., 1st B.A. 39 36 75

Guelph, Gr. A., 5th B.C. 34 41 77

McDonough, Sgt. Major, 5th B.C. 35 40 75

A. British Columbia 35 40 75

Richardson, Col. Sgt., 5th B. 45 36 81

C.A. Victoria, B.C. 43 37 80

Swaine, Sgt. W., 14th Regt. 43 37 80

Wilson, Sgt. A., 43rd Regt. 43 37 80

Lawson 43 37 80

It was first reported that only scores of
92 in the first stage would permit the sec-
ond stage being reached, but it was ascer-
tained that the entrance score of 90,
and this allowed Sgt. Bodeley, Gunner
Pleming and Pte. Graham to compete.
The shooting of the two former at the long
ranges to-day shows that their marksmanship
in the first stage would have been pre-
sented from stepping into the contest to-day.

Gunner Pleming, 170; Sgt. Major McDonough,
178; Lt. John Org. 179, and Sgt. Wil-
son, 177, have qualified among the hundred
men entitled to participate in the final
stage of the King's Prize staff for a gold
medal. Sgt. Crowe shoots off with 26
others in the final stage to-morrow.

The King's silver medal was won by
Cyclist Combar of the Surrey Volunteers
with a score of 289.

In the Golden Penny match Lt. J. T.
Murphy got 10th place, and won 30 shil-
lings; Pte. C. W. Spencer, 24th, won 30
shillings, and Pte. W. Masters, 28th, won
20 shillings.

In the St. George's match, first stage,
Pte. W. T. Mason, 204th place; Lieut. John
Org. 195th place; Col. Sgt. Richardson,
202nd place; Sgt. W. Swaine, 167th place;
Sgt. A. Wilson, 233th place, won each 22.

Mild in Their Action—Parmedee's Veget-
able Pills are very mild in their action.
They do not cause griping in the stomach,
or cause disturbances there, as so many
pills do. Therefore, the most delicate can
take them without fear of unpleasant re-
sults. They can, too, be administered to
children, the only medicine of the kind
which follow the use of pills not so care-
fully prepared.
