Superintendent Forrester wired the agent at Dorchester to stop a coal train due there, and instruct the engineer to proceed to the city with all speed.

The locomotive, one of the D. L. and W.'s most powerful superheaters, was on the scene in a few minutes and attached to the special train to proceed to Strathroy. The train was given the right-of-way over everything, and with everything ready, 225 pounds of steam on, the D., L. and W. engineer said, "Give me the word and I'll put you in Strathroy in 15 minues." Strathroy is 23 miles west of the city. Word came from Strathroy in 15 minues. "Strathroy is 24 miles were the the strains, where he has rendered distinguished service. Of the four officers in command of the trains, he was that engineer, who was going to see how fast his enginee would run, and disampainted that he will be given a disampainted that he sender would run, and disampainted that he will be given a disampainted that he would run, and disampainted that he will be given a disampainted that he will be given and the disampainted that he will be given a disampainted that he will

Two Cases of Eczema and How They Were Cured

Further Proof That Dr. Chase's Ointment Is a Positive Cure for Chronic Eczema.

If you will read these letters you will | fered with eczema on my hands, and find that Dr. Chase's Ointment is not for eighteen months was so bad that

for what it has done for my wife, cannot praise Dr. Chase's Ointment too for what it has done for my wife. cannot praise Dr. Chase's Ointment too highly, and frequently give some to highly, and frequently give some to others to get them using it, for I know apent no end of money with doctors and for ointments, which did her no In the home Dr. Chase's Ointment is good. She had about given up hope of of almost daily usefniness, for by revers being cured, when someone told lieving chafing and irritation of the home Dr. Chase's Ointment is good, She had about given up hope of lieving chafing and irritation of the home of the skin it prevents eczema and similar or ten days. her to try Dr. Chase's Cintment. By skin it prevents eczema and similar or ten days.

for eighteen months was so bad that to be classed among ordinary salves and ointments.

By actually curing itching, stinging self. Though I had lots of salves that stood the most severe test to which the stood that the could not use a needle to sew or do anything. I could not use a nee

Medical Authorities Not Certain of Nature of Disease, But Suspicious.

WESTERN ONTARIO

The death occurred this morning in Victoria Hospital of Pte. H. Bancroft of the 18th Battalion. Pte. Bancroft was for some months quartered at the Military Convalescent Hospital after his return from the front, owing to stomach trouble. He was taken suddenly ill on Friday, and was taken to Victoria Hospital suffering from a sudden attack of disease, the nature of which is not definitely known. Owing to suspicions entertained by the medical authorities, an investigation is being held today.
