

Legal or Illegal FLOWERS VS. JEWELRY.

The florists these days are using the slogan, "Say It With Flowers." But if that was as far as it went girls would never leave home and so there would be no home, sweet home. Flowers are very nice, we must admit, but the final question is said with jewelry and should be that better class of jewelry sold by John A. Nash, My Jeweler. He sells perfect diamonds that have that winning way. No muss with his plain hand rings, but years of harmony. His store is 206 Dundas street, where you will eventually buy.

Iron For Strength

You need iron in the blood! Every healthy man or woman should have about as much iron in his or her body as there is in an ordinary railroad spike. To gain this iron, the best way is to take Tonal-Iron Capsules, a form of iron in its most soluble form, recently discovered, and now having a marvelous sale. Tonal-Iron Capsules are a form of iron readily taken up by the blood. The blood cells get round, rich red in color, the cheeks are pink, the appetite improves, and one feels full of "snap" and "zip" and "vigor" instead of tired. The day is half done. The eyes take on a lustre and the body feels that tingle which one gets from a cold bath.

MISS RAE SAMUELS HEADLINER ON BILL AT GRAND TODAY

Five Acts and Emmy Wehlen in "The Amateur Adversity."

Miss Rae Samuels, "The Blue Streak of Vaudeville," will be the headliner at the Grand Summer Garden all this week, commencing at today's matinee.

Miss Samuels is one of the leading character songstresses in vaudeville at the present time and her appearance in this city is an event of more than ordinary interest. She has been selected with a routine of songs that have been selected with the aim of showing her remarkable versatility at its highest peaks, and with an array of costumes that are a study in themselves.

Also on today's Tuesday's and Wednesday's bill will be Harry and Nancy Cavanaugh in a most interestingly clever offering which they call "The Free Exhibition" a combination of music, singing, comedy and wire walking.

"Mother To Guide Them" is the title of a vaudeville comedy number to be presented by Stan and May Laurel, Murray K. Hill, "The Dialectical Monologues," with his original songs and stories, will easily verify the statement that he is one of the most versatile performers today on the stage.

Costumed luxuriously in Oriental clothes, Takeda and Yoda, a son and daughter of Nippon, will present a characteristic Japanese novelty act that introduces all the known feats of acrobatics and equilibrium.

Emmy Wehlen in "The Amateur Adversity," which will be shown in conjunction with the vaudeville today, Tuesday and Wednesday is a breezy comedy drama which gives the audience the exquisite star of the screen, a work of unusual originality and charm.

"The Regeneration" A BIG PHOTODRAMA AT PATRICIA TODAY

Two Comedies and Vaudeville Act Are Other Features on the Bill.

It is safe to say that there has never been a scene filmed so true to life as that of "The Regeneration," which was released by William Fox. Several remarkable fights take place in this bawdy dive and Director Walsh took many weeks in securing the types he needed. Most of them were of that variety that the boxer would rather fight than eat, and a make-believe fight means nothing to them. The incidents that the director gave the word to start things, they started, and started right so far as they were concerned. In one scene three men were knocked unconscious. In another scene a man's eye was badly torn and there were several strained backs in the fight. For actual fire and atmosphere, there is no question but that these scenes of underworld life will be the strongest ever presented on the screen.

A Fox Sunshine Comedy and Strand Comedy will also be shown. The vaudeville feature will be "Hyland Grant and Hyland," presenting a bright comedy, singing, dancing and instrumental music.

SENSATIONAL SCENES IN "STOLEN ORDERS" AT MAJESTIC TODAY

Thrilling Fight in Dirigible Balloon Is One of the Features.

"Stolen Orders," William A. Brady's big photoplay, which will be the attraction at the Majestic today, Tuesday and Wednesday, is a stupendous play of the present time. President Wilson, himself, appears in several scenes in the production in a striking manner, these scenes being secured while Mr. Wilson was delivering one of his memorable addresses.

As would be judged from the title this play deals with the theft of some highly important war documents from the commander of a great American fleet. The manner in which these documents were stolen and what came of the theft make a super-feature of extraordinary entertaining powers, an attraction that holds every spectator spellbound from the start of the first scene to the end of the very last reel.

One of the most exciting occurrences ever seen in motion pictures is the great fight in the basket of a dirigible balloon, the fall of the fighters into the water below and the rescue by a hydro-aeroplane of a girl who falls into the water. These scenes were taken at Atlantic City where the presence of the monster dirigible attracted an extraordinary amount of attention.

From start to finish "Stolen Orders" is a master production, packed with interest and entertainment.

WELFARE TAG DAY
WORKERS COLLECT
TO AID CHILDREN

Those Interested Succeed in Tagging to Thousand-Dollar Mark.

The child welfare tag day held on Saturday brought in \$88.93 to aid in saving the babies of London. This amount will probably be made up to the thousand-dollar mark by the close of the day. Having yet turned in their boxes, Saturday completed London's second successful "baby week," and the child welfare committee wishes, through The Advertiser, to thank the public for responding so generously.

From early morning, little girls and adults interested in saving the baby population of London and giving them every advantage to grow up good citizens, "tagged" to the last thing at night. The tags were quite unique, having the picture of a healthy little baby face printed on one side, and the subject of the Child Welfare Association on the other. The total amount collected will be announced later.

CLINTON, June 8.—Fire of unknown origin caused damage estimated at \$8,000 to the Smith shoe store here late this evening, when Roy Ball's photographic studio, where the fire started, was partly gutted, and the three stores in the building were damaged by water.

Hobby's drug store, Johnson's jewelry store and Mead's barber shop are located in the building, and were damaged by water thrown into the building to control the blaze. Ball and his family were out of town when the fire started.

Lighting, which gained access to the warehouse of the London Shoe Company via the electric wires Sunday evening, caused a fire and damage which may amount to upwards of \$5,000.

An electric motor on the third floor, used to operate the elevator, took fire from the wires and in turn ignited a partition. This set off three barrels of the sprinkler system which put out the fire. When the firemen arrived they found the water, but it had already caused considerable damage.

The damage from fire was small, Philip Pocock, president of the London Shoe Company, stated that it would be impossible to estimate the damage until the stock had been inspected.

THIRTY RELATIVES
AT FAMILY REUNION

Eightieth Birthday of Mrs. Wm. Buskard is Celebrated.

A pleasing event took place Friday evening, when Mrs. William Buskard, 901 Elias street, celebrated her 80th birthday. About thirty sons, daughters and grandchildren sat down to supper, after which a delightful evening was spent in song and games.

There were guests present from Brantford, Ottawa and this city. William Buskard, of Brantford, on his American soldier's uniform, presented his grandmother with a purse of money on behalf of all the grandchildren, reading also a short address. Despite her advanced years, Mrs. Buskard made a suitable reply, expressing her pleasure at the remembrance. She is still hearty, and actively engaged in her household duties every day.

During the evening a telegram was received from Mr. John Buskard of Brantford, expressing his regret at being unable to be present. A beautiful present of \$100 was sent by W. J. Buskard, eldest son, of Providence, R. I. Each person present was given a glass of beer as a memento of the joyous event.

On Saturday afternoon the celebration was further extended by a picnic at Springbank, at which a number of the visitors attended.

KNOCKED DOWN
BY AUTOMOBILE
ON DUNDAS STREET

Crossing Dundas street Sunday afternoon, five-year-old Robert Theriault of 774 Hill street was knocked down by automobile number 6587 driven by Pte. William McMillan of the A.M.C., receiving two nasty bruises on the forehead.

The little lad was taken to his home in the police motor ambulance, where Dr. Black was summoned. On medical examination it was found that beyond shock and bruises there were no serious injuries.
